Spartan Chemical Company, Inc.

Letter of Continuing Guaranty:
CAUSTIC CLEANER FP

Spartan Chemical Company, Inc., as the manufacturer of Caustic Cleaner FP, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Caustic Cleaner FP is a low foaming, highly alkaline degreaser which has been formulated for use by the food processing industry. Caustic Cleaner FP will remove carbonized and greasy soils as well as natural and liquid-smoke residues from smokehouses, ovens, fryers and other food processing equipment. Caustic Cleaner FP should not be used on aluminum or other soft metal surfaces.

Caustic Cleaner FP:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A8" "Degreaser or carbon remover for food cooking or smoking equipment, utensils or other associated surfaces".

Before using Caustic Cleaner FP, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
