### **LAUNDRY**

- \$300 Credit per Machine (over 35 lbs) Installed

### **WAREWASH**

- \$300 Credit per Machine

### **HOUSEKEEPING**

- Acute Care (Hospitals)
  - \$160 dispenser allowance for every 15 beds
    - EXAMPLE: A 300-bed facility earns up to \$3,200 to be used as needed for any combination of dispensers.
- Long-Term (Nursing Homes)
  - \$160 dispenser allowance for every 35 beds
    - EXAMPLE: A 350-bed facility earns up to \$1,600 to be used as needed for any combination of dispensers.

All dispensers must be pioneered on a distributor level using the **Pioneering- GPO Program**. Upon submission, the RM will be notified by email that approval is needed. Once approved by the RM (in CRM), an email is sent to Jackie Mich who will complete a final review and have the credit issued.

Program is subject to termination at any time by Spartan Chemical Company, Inc.
