- \$300.00 dispenser allowance per machine installed with SparClean Warewash

All dispensers must be pioneered on a distributor level using the distributor portal on Spartan Chemical's website (www.spartanchemical.com). Once in the portal, go to "Distributor Programs" and click on the "Pioneer Requests" button. After submission, your Spartan Regional Manager will be notified by email to approve or deny. If the pioneering request is approved by the regional manager, a credit will be issued to the distributor.

Please contact your Spartan Regional Manager with any questions.
