

Carcass Wash FP[®] (ANTIMICROBIAL SOLUTION)

DANGER: Harmful if swallowed. Harmful in contact with skin. Harmful if inhaled. Causes severe skin burns and serious eye damage. May cause respiratory irritation. Combustible liquid. Heating may cause a fire.

Wash hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves. Wear eye / face protection. Wear protective clothing. Use only outdoors or in a well-ventilated area. Do not breathe the mist, vapors or spray. Keep away from heat/sparks/open flames/hot surfaces. — No smoking. Keep cool.

FIRST AID: IMMEDIATELY CALL A POISON CENTER OR PHYSICIAN.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

Specific Treatment: See Safety Data Sheet Section 4: "FIRST AID MEASURES" for additional information.

Fire: In case of fire use large quantities of water. Chemical type extinguishers are not very effective.

Storage: Store locked up. Keep cool. Store at temperatures not exceeding 80° F. Store in a well-ventilated place. Keep container tightly closed. Protect from sunlight. Store away from other materials. Keep containers in an upright position. Self-Accelerating Decomposition Temperature (SADT) >131 °F.

Disposal: Dispose of contents and container in accordance with local, state and federal regulations.

Other Information: Inhalation of vapors or mist may cause respiratory irritation or damage. Do not mix with hypochlorite-type bleach or other household chemicals as hazardous vapors or gases may be produced. Never return this product to the original container after it has been removed. Contaminants such as dirt, caustic, reducing agents and metals can cause decomposition of product and the release of oxygen. Keep away from wood, cardboard and other combustible materials. See product literature for more information on storage and handling. Keep out of reach of children.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Contains hydrogen peroxide. Ingestion may result in distention of esophagus and stomach.
