

**Spartan Chemical Company, Inc.**  
Manufacturer of Guaranteed Specialty Maintenance Products

**Letter of Guaranty:  
AIRLIFT AIR FRESHENER  
LEMON, FRESH SCENT & TROPICAL  
(Aerosol)**

October 11, 2002

Spartan Chemical Company, Inc. is the manufacturer of Airlift Air Freshener. This letter certifies that this product is safe and effective for use in food processing plants when used as directed on the product labeling and in accordance with this letter. When used in this manner, Airlift Air Freshener will not adulterate food product or create unsanitary conditions.

**This product may be used in inedible product processing areas, non-processing areas, and/or exterior areas.**

**Airlift Air Freshener may not be used in edible product areas.**

**Airlift Air Freshener:**

- Conforms to USDA's "Sanitation Performance Standards Compliance Guide, Appendix 2, Chemical Use" published 10/13/1999 by FSIS (Food Safety Inspection Service).
- Meets the profile of USDA's former "C1" Authorization Code. "Compounds for use on all surfaces in inedible product areas, nonprocessing areas, and/or exterior areas."

Airlift Air Freshener must not be used to mask odors resulting from unsanitary conditions. It must be used in a manner which prevents penetration of any characteristic odor or fragrance into edible product areas.

Permission for the use of this product on loading docks or other similar areas is left to the discretion of the Inspectors In Charge of the plant.

Carefully read and follow all statements on the labeling and Material Safety Data Sheet while using this product.

Sincerely,

SPARTAN CHEMICAL COMPANY, INC.

Ronald T. Cook

Manager, Regulatory Affairs
