

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **BLOC-AID**

Spartan Chemical Company, Inc., is the manufacturer of Bloc-Aid. This letter certifies that this product is safe and effective for use in sewage and/or drain lines of food processing plants, including USDA inspected shell egg facilities, when used as directed on the product labeling for this use. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Bloc-Aid is a ready-to-use, non-acid, liquid drain, and sewer cleaner plus maintainer. It is safe to use in garbage disposals, septic tanks, and cesspools without harm to plumbing.

Bloc-Aid:

- Conforms to Food Safety and Inspection Service (FSIS)'s "Sanitation Performance Standards Compliance Guide"
- Meets the profile of USDA's former "L1" General compounds for use in sewage and/or drain lines.

Do not contaminate food or food processing equipment with this product.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.

SPARTAN CHEMICAL COMPANY, INC.
