

Spartan Chemical Company, Inc.

Letter of Guarantee:
CLEAN ON THE GO
SPARCLEAN SILVERWARE PRE-SOAK [21]

Spartan Chemical Company, Inc., as the manufacturer of Clean On The Go SparClean Silverware Pre-Soak [21], guarantees that this product is safe and suitable for use in food processing plants, including federally inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions. Clean On The Go SparClean Silverware Pre-Soak [21] is a liquid detergent that softens and removes food soils from silverware. When requested by the Canadian Food Inspection Agency (CFIA), Spartan Chemical Company, Inc., will provide all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Clean On The Go SparClean Silverware Pre-Soak [21] Complies with the Following USA Requirements:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s **"Sanitation Performance Standards Compliance Guide"**
- Meets the profile of USDA's former "A1" "Compounds for use as general cleaning agents on all surfaces, or for use with steam or mechanical cleaning devices in all departments".

Before using Clean On The Go SparClean Silverware Pre-Soak [21], food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water.

Directions for use:

1. Always scrape silverware and utensils before placing them in the pre-soak container.
 2. Depress button on Clean on the Go 1 GPM Low-Flow Dispenser or Pulsar® Push Button Dispenser and fill container to desired capacity. Dispensers should be set to dispense at 16- 24 ml per 4 liters.
 3. Allow silverware and utensils to soak at least 30 to 60 minutes depending on soil load.
 4. Place soaked items on a flat rack and run through the dish machine
- Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
