

Spartan Chemical Company, Inc.

Letter of Guarantee:

PEROXY PROTEIN REMOVER, CLEANER & WHITENER

Spartan Chemical Company, Inc., as the manufacturer of Peroxy Protein Remover, Cleaner & Whitener, guarantees that this product is safe and effective for use in food processing plants, including federally inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions. Peroxy Protein Remover, Cleaner & Whitener is a hydrogen peroxide based food processing cleaner.

When requested by the Canadian Food Inspection Agency (CFIA), Spartan Chemical Company, Inc., will provide all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Peroxy Protein Remover, Cleaner & Whitener: Complies with the Following USA Requirements:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A1" "Compounds for use as general cleaning agents on all surfaces, or for use with steam or mechanical cleaning devices in all departments".

Before using Peroxy Protein Remover, Cleaner & Whitener, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water.

Directions for Use:

Cleaning and Degreasing with Spartan Foam Gun: Check floor drain and clear of debris. Remove or cover all food. Pick up or scrape away gross soil from surfaces and equipment. Use correct metering tip to obtain a 1:20 dilution (50 ml/l of water). Spray product onto all washable surfaces and let set for 5 minutes. Do not allow foam to dry. Rinse thoroughly using hot potable water. Tilt tables and other movable equipment to remove excess water. Let surfaces air dry. Do not wipe dry.

To Clean Floors, Walls and other Surfaces: For daily damp mopping, dilute product at 1:128 (8 ml/l of water). For heavy duty cleaning and degreasing, dilute at 1:20 (50 ml/l of water) to 1:10 (100 ml/l of water). Apply to surface using mop, sprayer, sponge or cloth. Agitate with abrasive pad or brush to remove heavy accumulations of vegetable oil, animal fat and grease. Thoroughly rinse cleaned surface with potable water.

Clean by Peroxy Chemical Management System

Low Flow: For normal cleaning tasks, dilute at 1:32 (31 ml/l). For heavy duty cleaning and degreasing dilute at 1:10 (90 ml/l). Apply to surface using mop, sprayer, sponge or cloth. Thoroughly rinse cleaned surface.

High Flow: To clean floors, dilute at 1:64 (16 ml/l) Agitate with abrasive pad or brush to remove heavy accumulations of vegetable oil, animal fat and grease. Thoroughly rinse cleaned floor with potable water.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
