

Spartan Chemical Company, Inc.

Letter of Guarantee: SC-200

Spartan Chemical Company, Inc., as the manufacturer of SC-200, guarantees that this product is safe and effective for use in food processing plants, including federally inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions. SC-200 is a heavy duty industrial degreaser formulated to remove grease buildups on walls, floors and equipment.

When requested by the Canadian Food Inspection Agency (CFIA), Spartan Chemical Company, Inc., will provide all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

SC-200: Complies with the Following USA Requirements:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "Sanitation Performance Standards Compliance Guide"
- Meets the profile of USDA's former "A1" "Compounds for use as general cleaning agents on all surfaces, or for use with steam or mechanical cleaning devices in all departments".

Before using SC-200, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water.

Directions for use:

1. Apply with a sponge, brush, mop or pump-up sprayer. Also use in automatic floor machines and cold industrial dip tanks.
2. A 1:10 dilution [90 ml] per litre of water is recommended for most cleaning jobs. For lighter cleaning jobs, SC-200 may be diluted up to 1:20 or 1:30 [30 ml to 45 ml] per litre of water.
3. Rinse SC-200 with hot or cold water.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
