

Spartan Chemical Company, Inc.

Letter of Continuing Guarantee: **SPARCLEAN COFFEE & TEA CARAFE DESTAINER [60]**

Spartan Chemical Company, Inc., as the manufacturer of SparClean Coffee & Tea Carafe Destainer [60], guarantees that this product is safe and effective for use in food processing plants, including federally inspected facilities, when used as directed on the product labeling and as directed below. When used in this manner this product will not adulterate food product or create unsanitary conditions. SparClean Coffee & Tea Carafe Destainer [60] is a sodium hypochlorite-based cleaner designed to remove coffee stains from coffee pots, urns, carafes and other kitchen surfaces.

When requested by the Canadian Food Inspection Agency (CFIA), Spartan Chemical Company, Inc., will provide all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

SparClean Coffee & Tea Carafe Destainer [60]: Complies with the Following USA Requirements:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A1" Compounds for use as general cleaning agents on all surfaces in all departments.

Before using SparClean Coffee & Tea Carafe Destainer [60], food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water.

Directions for use:

COFFEE POTS:

Remove any remaining coffee from pot. Pump 2 squirts of SparClean Coffee & Tea Carafe Destainer directly into the coffee pot. Fill coffee pot to top with warm/hot water. Allow to set for at least 30 seconds. Empty container. Wash, rinse and sanitize following 3-Sink System.

FOR TEA CARAFES AND OTHER BEVERAGE CONTAINERS:

Remove any remaining liquid from container. Pump SparClean Coffee & Tea Carafe Destainer directly into container at 8 ml per 4 liters. Fill container with clean water. Allow to set for at least 30 seconds. Empty container. Wash, rinse and sanitize following 3-Sink System.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
