

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **CHLORINATED DEGREASER**

Spartan Chemical Company, Inc., as the manufacturer of Chlorinated Degreaser, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner, this product will not adulterate food product or create unsanitary conditions.

Chlorinated Degreaser is an alkaline degreaser with sodium hypochlorite which has been formulated to remove grease buildups on walls, floors and other areas where animal fats and vegetable oils are frequently used.

Chlorinated Degreaser:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A1" "Compounds for use as general cleaning agents on all surfaces, or for use with steam or mechanical cleaning devices in all departments".

Before using Chlorinated Degreaser, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
