

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **CLOTHESLINE FRESH CHLORINE BLEACH [4]**

Spartan Chemical Company, Inc., as the manufacturer of Clothesline Fresh Chlorine Bleach [4] guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities when used as directed on the product labeling and in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Clothesline Fresh Chlorine Bleach [4] is a heavy-duty sodium hypochlorite bleach designed to be used in the laundry process to remove stains and whiten fabrics. Clothesline Fresh Chlorine Bleach [4] may be used on uniforms, fabrics and other items such as shrouds which may come into direct contact with food products.

Clothesline Fresh Chlorine Bleach [4]:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s **"Sanitation Performance Standards Compliance Guide"**
- Meets the profile of USDA's former "B1" rating: "Laundry Product that may come in contact with food products".

This product may be used on fabric that contacts meat or poultry products, directly or indirectly, provided that the fabric is thoroughly rinsed with potable water at the end of the laundering operation.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
