

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: CLOTHESLINE FRESH LIQUID ALKALI [16]

Spartan Chemical Company, Inc., as the manufacturer of Clothesline Fresh Liquid Alkali [16], guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Clothesline Fresh Liquid Alkali [16] is a concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process and allows individual fibers of a fabric to open up and begin releasing entrapped soil particles. This product contains biodegradable water softening agents to aid in the washing process and boost detergent performance.

Clothesline Fresh Liquid Alkali [16]:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "Sanitation Performance Standards Compliance Guide"
- Meets the profile of USDA's former "B2" rating, "Laundry Product for Fabrics Not Contacting Food".

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
