

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **CONSUME LIQ WASTEWATER TREATMENT**

Spartan Chemical Company, Inc., is the manufacturer of Consume LIQ Wastewater Treatment. This letter certifies that this product is safe and effective for use in sewage and/or drain lines of food processing plants, including USDA inspected shell egg facilities, when used as directed on the product labeling. When used in this manner, Consume LIQ Wastewater Treatment will not adulterate food product or create unsanitary conditions.

Consume LIQ Wastewater Treatment is a blend of selectively adapted microorganisms specifically designed for wastewater applications. This product contains non-pathogenic, enzyme-producing bacteria. Consume LIQ Wastewater Treatment is certified Salmonella free.

Consume LIQ Waste Water Treatment:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "L2" Enzymatic compounds for use in sewage and/or drain lines.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
