Letter of Guarantee: DAMP MOP QUAT

Spartan Chemical Company, Inc., as the manufacturer of Damp Mop Quat, guarantees that this product is safe and effective for use in food processing plants, including federally inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Damp Mop Quat is a phosphate-free formulation designed to provide effective cleaning, deodorizing, and disinfection in hospitals, nursing homes, hotels, schools, athletic/recreation facilities, sports stadiums, amphitheatres, convention centers, and other institutions where housekeeping is of prime importance in controlling cross-contamination from treated surfaces.

When requested by the Canadian Food Inspection Agency (CFIA), Spartan Chemical Company, Inc., will provide all supporting documents to demonstrate that this product is safe and/or suitable for use as intended.

Damp Mop Quat: Complies with the Following Requirements:

- Is registered with Health Canada under D.I.N. 02355310
- Conforms to USDA's "Sanitation Performance Standards Compliance Guide, Appendix 2, Chemical Use" published 03/04/2016 by FSIS.
- Meets the profile of USDA's former "C1" rating: "Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".

Damp Mop Quat must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation. Permission for the use of this compound on loading docks and other similar areas is left to the discretion of the inspector in charge of the establishment.

The directions for use for this product are found on the original product container labeling.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
