

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: DIFFENSE

Spartan Chemical Company, Inc., as the manufacturer of Diffense, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Diffense is an EPA-registered, broad spectrum, cleaner disinfectant proven to kill *Clostridium difficile* spores. Effective against a comprehensive range of harmful bacteria and viruses and less than one minute disinfection, Diffense is ideal for areas where infection control and the prevention of healthcare associated infections (HAIs) is mission critical. Diffense is on the EPA List N: Disinfectants for Use Against SARS-CoV2.

Diffense:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Is registered with the US EPA Reg No 5741-28.
- Conforms to Food Safety and Inspection Service (FSIS)'s "Sanitation Performance Standards Compliance Guide"
- Meets the profile of USDA's former "C1" rating: "Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".

Diffense must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
