Letter of Continuing Guaranty: **FLOW**

Spartan Chemical Company, Inc., as the manufacturer of Flow, guarantees that this product is safe and effective for use in food processing plants, and will have no adverse effects when used as directed on the product labeling and this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Flow is a low foam daily cleaner designed for cleaning floors and other hard surfaces. With a neutral pH, Flow is safe to use as part of a routine maintenance program, even on polished concrete. The ultra-concentrated formula and low foaming properties make Flow perfect for automatic floor scrubbers or any other general cleaning application.

This product may be used in non-processing areas and/or exterior areas.

Flow:

- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "C1" rating: "Nonprocessing Area Products: General."

This product is acceptable for use as a cleaner for non-food contact surfaces in official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
