

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: HD CARBON REMOVER

Spartan Chemical Company, Inc., as the manufacturer of HD Carbon Remover, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

HD Carbon Remover is a low foaming, highly alkaline degreaser which has been formulated for use as a fryer boil-out compound by the food processing industry. HD Carbon Remover will remove carbonized and greasy soils from fryers and other food processing equipment. HD Carbon Remover should not be used on aluminum or other soft metal surfaces.

HD Carbon Remover:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A8" "Degreaser or carbon remover for food cooking or smoking equipment, utensils or other associated surfaces".

Before using HD Carbon Remover, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
