

Spartan Chemical Company, Inc.

## Letter of Continuing Guaranty: **HIGH PERFORMANCE ALKALINE FP**

Spartan Chemical Company, Inc., as the manufacturer of High Performance Alkaline FP, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

When used as directed as a Clean-In Place (CIP)/ Soaking or Boil Out cleaner, this product will remove difficult soils from food processing equipment. High Performance Alkaline FP should not be used on aluminum or other soft metal surfaces.

### **High Performance Alkaline FP:**

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s **"Sanitation Performance Standards Compliance Guide"**
- Meets the profile of USDA's former "A2" "Compounds for use only in soak tanks or with steam or mechanical cleaning devices in all departments."

Before using High Performance Alkaline FP, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
