Letter of Continuing Guaranty: LITE 'N FOAMY E3 HAND SANITIZER

Spartan Chemical Company, Inc, as the manufacturer of Lite 'n Foamy E3 Hand Sanitizer, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Lite 'n Foamy E3 Hand Sanitizer is acceptable for use as a hand sanitizer in official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection program.

Lite 'n Foamy E3 Hand Sanitizer:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "E3 Hand Sanitizing Product".

This product may be used only after thoroughly washing the hands with soap or detergent and water, followed by rinsing with potable water. A potable water rinse is not required after the use of this product. This product must be dispensed from adequate dispensers located a sufficient distance from the processing line to prevent accidental product contamination.

Lite 'n Foamy E3 Hand Sanitizer must always be used according to applicable directions provided on the label. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
