

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty:  
**LUSTRE STONE CARE  
RESTORATIVE CLEANER**

Spartan Chemical Company, Inc., is the manufacturer of Lustre Stone Care Restorative Cleaner. This letter certifies that this product is safe and effective for use in food processing plants when used as directed on the product labeling and in accordance with this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Lustre Stone Care Restorative Cleaner strengthens the floor as it cleans. With a non-etching, neutral pH formula, Restorative Cleaner can be used on a variety of hard flooring including concrete, terrazzo, stone, and masonry. Featuring unique nanoglass technology, Restorative Cleaner fortifies hardness as you clean to protect against wear and heavy traffic.

**This product may be used in non-processing areas and/or exterior areas.**

**Lustre Stone Care Restorative Cleaner:**

- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "C1 " rating: "Compounds for use on surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".

Lustre Stone Care Restorative Cleaner must not be used to mask odors resulting from unsanitary conditions. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
