Letter of Continuing Guaranty: METAQUAT GERMICIDAL CLEANER

Spartan Chemical Company, Inc., as the manufacturer of Metaquat Germicidal Cleaner, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Metaquat Germicidal Cleaner will remove moderate soils and disinfect floors, walls, metal surfaces and many other environmental surfaces in both processing and non-processing areas.

Metaquat Germicidal Cleaner:

- Is registered with the US EPA as a hard surface disinfectant cleaner under EPA Registration Number 5741-12.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "D1 " rating: "Antimicrobial agents always requiring a rinse".

Before using this product, food products and packaging materials must be removed from the room or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water before operations are resumed. This product must always be used at the dilutions and according to applicable directions provided on the EPA registered label.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
