

Spartan Chemical Company, Inc.

## Letter of Continuing Guaranty: NABC PLUS IV

Spartan Chemical Company, Inc. is the manufacturer of NABC Plus IV. This letter certifies that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

NABC Plus IV is a citric acid based cleaner for use on bathroom surfaces. NABC Plus IV will remove soap scum, organic matter, water deposits, and light rust from toilets and bathroom surfaces.

### **NABC Plus IV:**

- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "C2" rating: "Compounds for use in toilets and/or dressing rooms".

NABC Plus IV is acceptable for use in restrooms and locker rooms of official establishments operating under the federal meat, poultry shell egg grading, and egg products inspection programs. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
