## Letter of Continuing Guaranty: **SANI-TYZE**

Spartan Chemical Company, Inc., as the manufacturer of Sani-Tyze, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Sani-Tyze is a quaternary ammonium chloride based no-rinse sanitizer for food contact surfaces.

### **Sani-Tyze:**

- Is registered with the US EPA as Reg. No. 10324-107-5741
- Complies with 21 CFR Section 178.1010 "Sanitizing Solutions"
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "D2" "Sanitizers for all surfaces not always requiring a rinse".

Before using Sani-Tyze, food products and packaging materials must be removed from the area or carefully protected. A potable water rinse is not required following the use of this product in official establishments, provided that the equipment and utensils are adequately drained before contact with food, so that little or no residue remains which can adulterate or have a deleterious effect on edible products. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
