

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty:
**SD-20 ALL PURPOSE DEGREASER
(AEROSOL)**

Spartan Chemical Company, Inc., as the manufacturer of SD-20 All Purpose Degreaser (Aerosol), guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter.

SD-20 All Purpose Degreaser (Aerosol) is a hard-working cleaner designed for removing heavy soil and foaming away grease on maintenance equipment, appliances, floors, and walls.

SD-20 All Purpose Degreaser (Aerosol):

- Conforms to USDA's "Sanitation Performance Standards Compliance Guide, Appendix 2, Chemical Use".
- Meets the profile of the USDS's former "C1" rating: "Compounds for use on surfaces in inedible product processing areas, non-processing areas, and/or exterior areas"

SD-20 All Purpose Degreaser (Aerosol) must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation.

Permission for the use of this compound on loading docks and other similar areas is left to the discretion of the inspector in charge of the establishment.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.

SPARTAN CHEMICAL COMPANY, INC.
