

Spartan Chemical Company, Inc.

## Letter of Continuing Guaranty: **STAINLESS STEEL CLEANER POLISH**

Spartan Chemical Company, Inc., as the manufacturer of Stainless Steel Cleaner Polish, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Stainless Steel Cleaner Polish is a foamy, white emulsion formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. Stainless Steel Cleaner Polish quickly removes fingerprints, grease, oil, coffee, ink, and even built-up grime, leaving soft, non-greasy protective finish that resists fingerprinting, stains, and water marks.

### **Stainless Steel Cleaner Polish:**

- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A7" "Metal Cleaners and Polishes for Nonfood Surfaces".

This product must be used in a manner so that all odors associated with its use are dissipated before food products or packaging materials are re-exposed in the area. This product must be used in a manner which, in the opinion of the Inspector in Charge, will not result in direct or indirect contamination of food. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
