Letter of Continuing Guaranty: **SUNNY-SIDE**

Spartan Chemical Company, Inc., as the manufacturer of Sunny-Side, guarantees that this product is safe and effective for use in food processing plants, and will have no adverse effects on shell eggs when used as directed on the product labeling and this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Sunny-Side is an extremely high gloss non-buff finish that levels smoothly to highlight floors with the ultimate shine that will hold its brilliance through numerous detergent moppings and can easily be restored when necessary by spraybuffing.

Sunny-Side:

- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "R2" rating: "Coatings for use on structural surfaces".

This product is acceptable for use as a coating on floors where there is no possibility of food contact. The product must be applied in a matter which prevents direct or indirect contamination of edible products. This product is for use in non-processing and/or exterior areas only.

Sunny-Side must not be used to mask odors resulting from unsanitary conditions. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
