

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **SUPER HDQ NEUTRAL**

Spartan Chemical Company, Inc., as the manufacturer of Super HDQ Neutral, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Super HDQ Neutral is a highly concentrated, low in-use cost, broad spectrum disinfectant that kills methicillin resistant Staphylococcus aureus (MRSA), vancomycin resistant Enterococcus faecalis (VRE) and even tough viruses such as Respiratory Syncytial Virus (RSV). Super HDQ Neutral is also effective against HBV, the HIV Virus and HCV. Super HDQ Neutral may be used on floors, walls and other hard, non-porous surfaces in hospitals, nursing homes, schools, food processing plants and food establishments.

Super HDQ Neutral:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Is registered with the US EPA as Reg. No. 10324-141-5741.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "C1 "rating: "Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".

Super HDQ Neutral must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
