

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **WAFFLE IRON CLEANER**

Spartan Chemical Company, Inc., as the manufacturer of Waffle Iron Cleaner, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Waffle Iron Cleaner is an alkaline degreaser which has been formulated for use by the food processing industry. Waffle Iron Cleaner will remove carbonized and greasy soils from waffle irons and other food processing equipment.

Waffle Iron Cleaner:

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A8" "Degreaser or carbon remover for food cooking or smoking equipment, utensils or other associated surfaces".

Before using Waffle Iron Cleaner, food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potable water. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
