

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **XTRACTION II**

Spartan Chemical Company, Inc., is the manufacturer of Xtraction II. This letter certifies that this product is safe and effective for use in food processing plants when used as directed on the product labeling and in accordance with this letter. When used in this manner Xtraction II will not adulterate food product or create unsanitary conditions.

Xtraction II is a fast acting, heavy-duty carpet cleaner for use with hot or cold water extractors. Featuring a dual surfactant system, the low foaming solution leaves no residue to contribute to resoiling. Xtraction II does not create unnecessary suds which may clog equipment or inhibit the efficiency of vacuum pick up.

Do not use this product in food processing areas of a federally inspected plant.

Xtraction II is the type of product described in the USDA's Guidelines for Authorization of Compounds to be used in Meat and Poultry Plants (AH-562), Section 2.3 – "Compounds Used in Offices and Other Similar Non-Processing Areas" ... *"Compounds such as ... floor finishes and waxes, wax strippers, rug or upholstery shampoos or cleaners...Require no evaluation or authorization by USDA prior to use in such areas. **They may not be used in any processing area of a federally inspected plant"**.*

Xtraction II must not be used to mask odors resulting from unsanitary conditions. It must be used in a manner which prevents penetration of any characteristic odor or fragrance into edible product areas. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
