

NEW IN 2022

Profect® HP

Use Profect HP daily as part of a simple and effective cleaning and disinfection program for your entire facility on hard, non-porous surfaces. Featuring patented hydrogen peroxide technology, Profect HP kills bacteria and viruses in 60 seconds. One minute contact times ensure efficacy and compliance for your most critical disinfection needs. Ideal for daily use on high-touch surfaces, Profect HP is available in a convenient ready-to-use quart. Effective, easy and safe, use Profect HP for all your one-step disinfecting, deodorizing, and cleaning needs.

pH (Concentrate): 1.8 – 2.2

Available Sizes: 1 qt (12 per case) #100803

X-EFFECT® Restroom Cleaner with Citric Acid

X-EFFECT Restroom Cleaner with Citric Acid cleans and disinfects restroom surfaces, removing tough stains caused by urine and hard water. Bacteria and viruses found in public restrooms can cause odors and create an unsafe environment for building occupants. X-EFFECT Restroom Cleaner with Citric Acid offers a convenient and effective solution for removing bacteria and viruses while leaving a fresh lavender fragrance. For best results, use with common scent products like Airlift Ultra-Fragrant Urinal Screens, Commode Clips, and Odor Eliminators.

pH (Concentrate): 1.0 – 3.0

Available Sizes: 1 qt (12 per case) #731903

4-Product Dispensers (Available January 2022)

The Spartan 4-product dispensers offer employee safety, accurate diluting, and cost-control. Professional products must be used as specified to comply with safety statements and OSHA regulations. Over-proportioned chemicals equal a higher in-use cost, and to ensure efficacy against a specified organism disinfectants must be properly diluted. Available for both bucket and bottle fill applications, Spartan 4-product dispensers are designed to work with Spartan Clean on the Go® and other concentrated products. Ensure safety and accuracy, Spartan Chemical offers dispensing made simple®.

Available Options: Bottle-fill #99163, Bucket fill #99162

LavoWare Pro (Available February 2022)

The LavoWare Pro warewash dispenser offers convenient, state-of-the-art chemical dispensing. The versatile, intuitive design is available in a 2-pump (99155) and 3-pump (99156) configuration. An LCD display enables easy setup and installation, and the units require little to no maintenance.

Available Options: 2-pump #99155, 3-pump #99156

MiniWash (Available February 2022)

MiniWash is a series of compact dispensing systems designed for use with top-load or OPL washing machines. The dispensers feature timed mode programming for laundry chemicals. Installation is simple and easy using the supplied wall-mounting brackets.

Available Options: 1-pump #99167, 2-pump #99168, 3-pump #99169

simplidose™ (Availability limited to BSC customers)

The simplidose portable dosing system provides accurate dosing of Spartan Chemical products when a connected water source is not available. With a forced dispensing mechanism, simplidose ensures that cleaning staff dose the correct amount of product to get the best performance and efficacy required to complete the task at hand. simplidose is available in 1 ounce and ½ ounce dosages to accommodate both bucket and bottle fill applications. Portable, accurate, and convenient, simplidose is dispensing made simple®!

Available Options: 1/2 oz #99165, 1 oz #99166
