Citric Acid.....	CAS No. 77-92-9
Anionic Polymer.....	CAS No. Proprietary

EPA/Safer Choice recognition does not constitute endorsement of these products. The Safer Choice logo signifies that the products' formulas, as Spartan Chemical Company, Inc has represented it to the EPA, contain ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Spartan Chemical Company, Inc, its integrity and good faith, for information on the products' composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the products' formula, nor evaluated any of Spartan Chemical Company, Inc's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the products' human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.
