

Superior High Shine Stainless Steel Cleaner & Polish™

oil-based cleaner and polish

Superior High Shine Stainless Steel Cleaner & Polish is an oil-based formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. Superior High Shine Stainless Steel Cleaner & Polish works quickly and easily to restore the luster and shine to stainless steel surfaces, chrome and other hard, washable surfaces. The oil-base formula, removes light soil including fingerprints, grease, smudges and spills with ease.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before using read product label and MSD sheet. If questions remain, consult your employer or a physician.

1. Remove heavy soils from surfaces.
2. Shake can well before using.
3. Spray directly on to dry surface, holding can six to eight inches away. Wipe immediately with soft, dry cloth.
4. Work a small area at a time, overlapping cleaned area to avoid streaks. Do not allow to air dry. Never try to clean and polish complete surface in one operation.
5. For best results on brushed finishes polish with the grain. Continue wiping while turning cloth until surface is cleaned and polished.
6. Do not use on ovens, eating or drinking utensils.
7. Extremely difficult soils may require a second application.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
