world is busy  
enough.

## Wood Floor Care Products/Descriptions

A new gym floor represents a significant investment. Keep your floors looking new through proper maintenance and restoration programs. With challenges from gum removal and black heel marks to water damage, Spartan has a wood floor care solution to meet your needs. Whether you prefer the oil or water-based systems, Spartan offers complete wood floor care program.

### Aquaforce®

#5843.

Aquaforce wood floor finish is a water-based urethane finish that brings out the natural beauty of sport wood floors. The low-foaming formula provides forgiving leveling and reduced risk of fisheyes, making it an excellent choice for all levels of experience. The ready-to-use formula requires no mixing, eliminating pot-life concerns. With an amazing high-gloss result, Aquaforce is resistant to black heel marks, scuffs, and abrasions of all kinds.
