# VALUED-ADDED PROGRAMS & SERVICES

## R&D, QC and Technical Support

At Spartan, our commitment to quality starts in the lab, where we vigorously formulate, evaluate and support our products. Spartan's on-site, research facility is a fully equipped, GLP (Good Laboratory Practices) compliant laboratory, staffed by scientists and professionals, including microbiologists, bioaugmentation specialists, formulating chemists, regulatory managers and quality control technicians. True experts in their field, these Spartan professionals are responsible for research and development, quality assurance, bringing new products and formulas to market, plus they are available to provide immediate technical assistance.

## CleanCheck® Training System

To ensure quality workmanship, thorough and effective training is a must. CleanCheck is the ultimate tool for instilling pride and professionalism, building confidence, minimizing complaints and cost effectively managing the talents of your cleaning staff. English and Spanish CleanCheck modules cover basic and advanced topics for keeping facilities clean. Plus, Safety modules ensure OSHA, Bloodborne Pathogen Standard, and GHS compliance. The CleanCheck Training System includes:

- Web- or DVD-based video tutorials
- Training manuals
- On-the-job cards
- Web- or paper-based testing
- Compliance documentation and tracking
- Employee recognition certificates

## CompuClean® - Custodial Management Software

CompuClean provides an integrated reporting system and a variety of modules to streamline your cleaning operations, minimize costs and protect your bottom line. And because it's cloud-based, you can use the tool wherever you can access the Internet. Plus, software upgrades and maintenance are seamlessly handled in the cloud. Using the CompuClean Mobile App, you can conduct offline quality inspections right from a smartphone or tablet – complete with barcode scanning, image capture and annotations. CompuClean enables you to:

- Identify training/employee issues
- Improve facility cleanliness
- Evaluate processes and workloading
- Improve health and safety for occupants
- Minimize operational costs
- Increase custodial efficiency

## A global presence with a local focus

While Spartan Chemical spans 5 continents, our most important location is the one nearest you. Cleaning Professionals count on Spartan for fast and responsive local support. This is achieved through our strategically located distribution points throughout Canada, as well as the expertise of our Regional Managers, product, market, division, and senior management, plus more than 250 dedicated Spartan employees.

- WHMIS material safety documentation
- Comprehensive, multi-lingual labels
- Local distribution points
- Canadian-registered disinfectants

## A single source for all your needs

For a Cleaning Professional, providing exceptional service also means having fast access to an inventory of cleaning solutions as diverse as their clients' needs. Spartan has set the industry standard of excellence with unparalleled products and facilities maintenance tools. And we will continue to develop and distribute innovative solutions and exceptional services all in the name of maintaining your satisfaction.

## Keeping sustainability at the forefront

You will be pleased to discover that sustainable products from Spartan Chemical are not only affordable — they are formulated to provide the same superior performance you've come to expect from all Spartan products. As an industry leader in advancing the production and use of sustainable cleaning products for safer environments, our high performance line of sustainable products includes six categories of environmentally preferable options. Each has been developed to ensure you can keep your facility clean without introducing any negative health affects to your employees and facility occupants.

While Spartan continues to make advancements in sustainable products, we are also making adjustments in our operations to reduce our carbon footprint. Below are some of the initiatives we've embraced to decrease our environmental impact through the responsible management of:

- Resource and material usage
- Packaging
- Energy use & Greenhouse Gas emissions
- Waste disposal

## Symbols of safety, quality and sustainability

Green Seal is an independent, non-profit organization that develops life cycle-based sustainability standards for products, services and companies and offers third-party certification for those that meet the criteria in the standard. Products with the Green Seal Certified logo have been certified under these standards in their respective product categories.

The Safer Choice program is an EPA program which partners the EPA with individual industry sectors to compare and improve performance, human health and environmental risks of existing and alternative products. A product with this logo was formulated in partnership with the EPA under this program.

The Carpet and Rug Institute's CRI Seal of Approval program identifies effective carpet cleaning solutions and equipment that clean carpet right the first time and protect a facility's carpet investment. Not all products clean well enough to earn the Seal of Approval distinction, so look for the blue and green CRI Seal of Approval as proof that you are purchasing or using a quality product.

WOOLSAFE is a worldwide accreditation program for the promotion and proper care for wool carpet and upholstery. In addition, it identifies carpet and cleaning chemicals suitable for use on wool. Look for WOOLSAFE approved maintenance products for wool and wool-rich carpets.

The USDA BioPreferred® Program identifies commercial or industrial products (other than food or feed) that utilize biological products or renewable domestic agricultural (plant, animal, and marine) or forestry materials. A product within an identified category must meet the minimum biobased content standard as established for the category. Biobased content is determined by testing to ASTM Method D6866. This method uses radiocarbon dating to measure the amount of new carbon present in a product as a percentage of the total organic carbon.

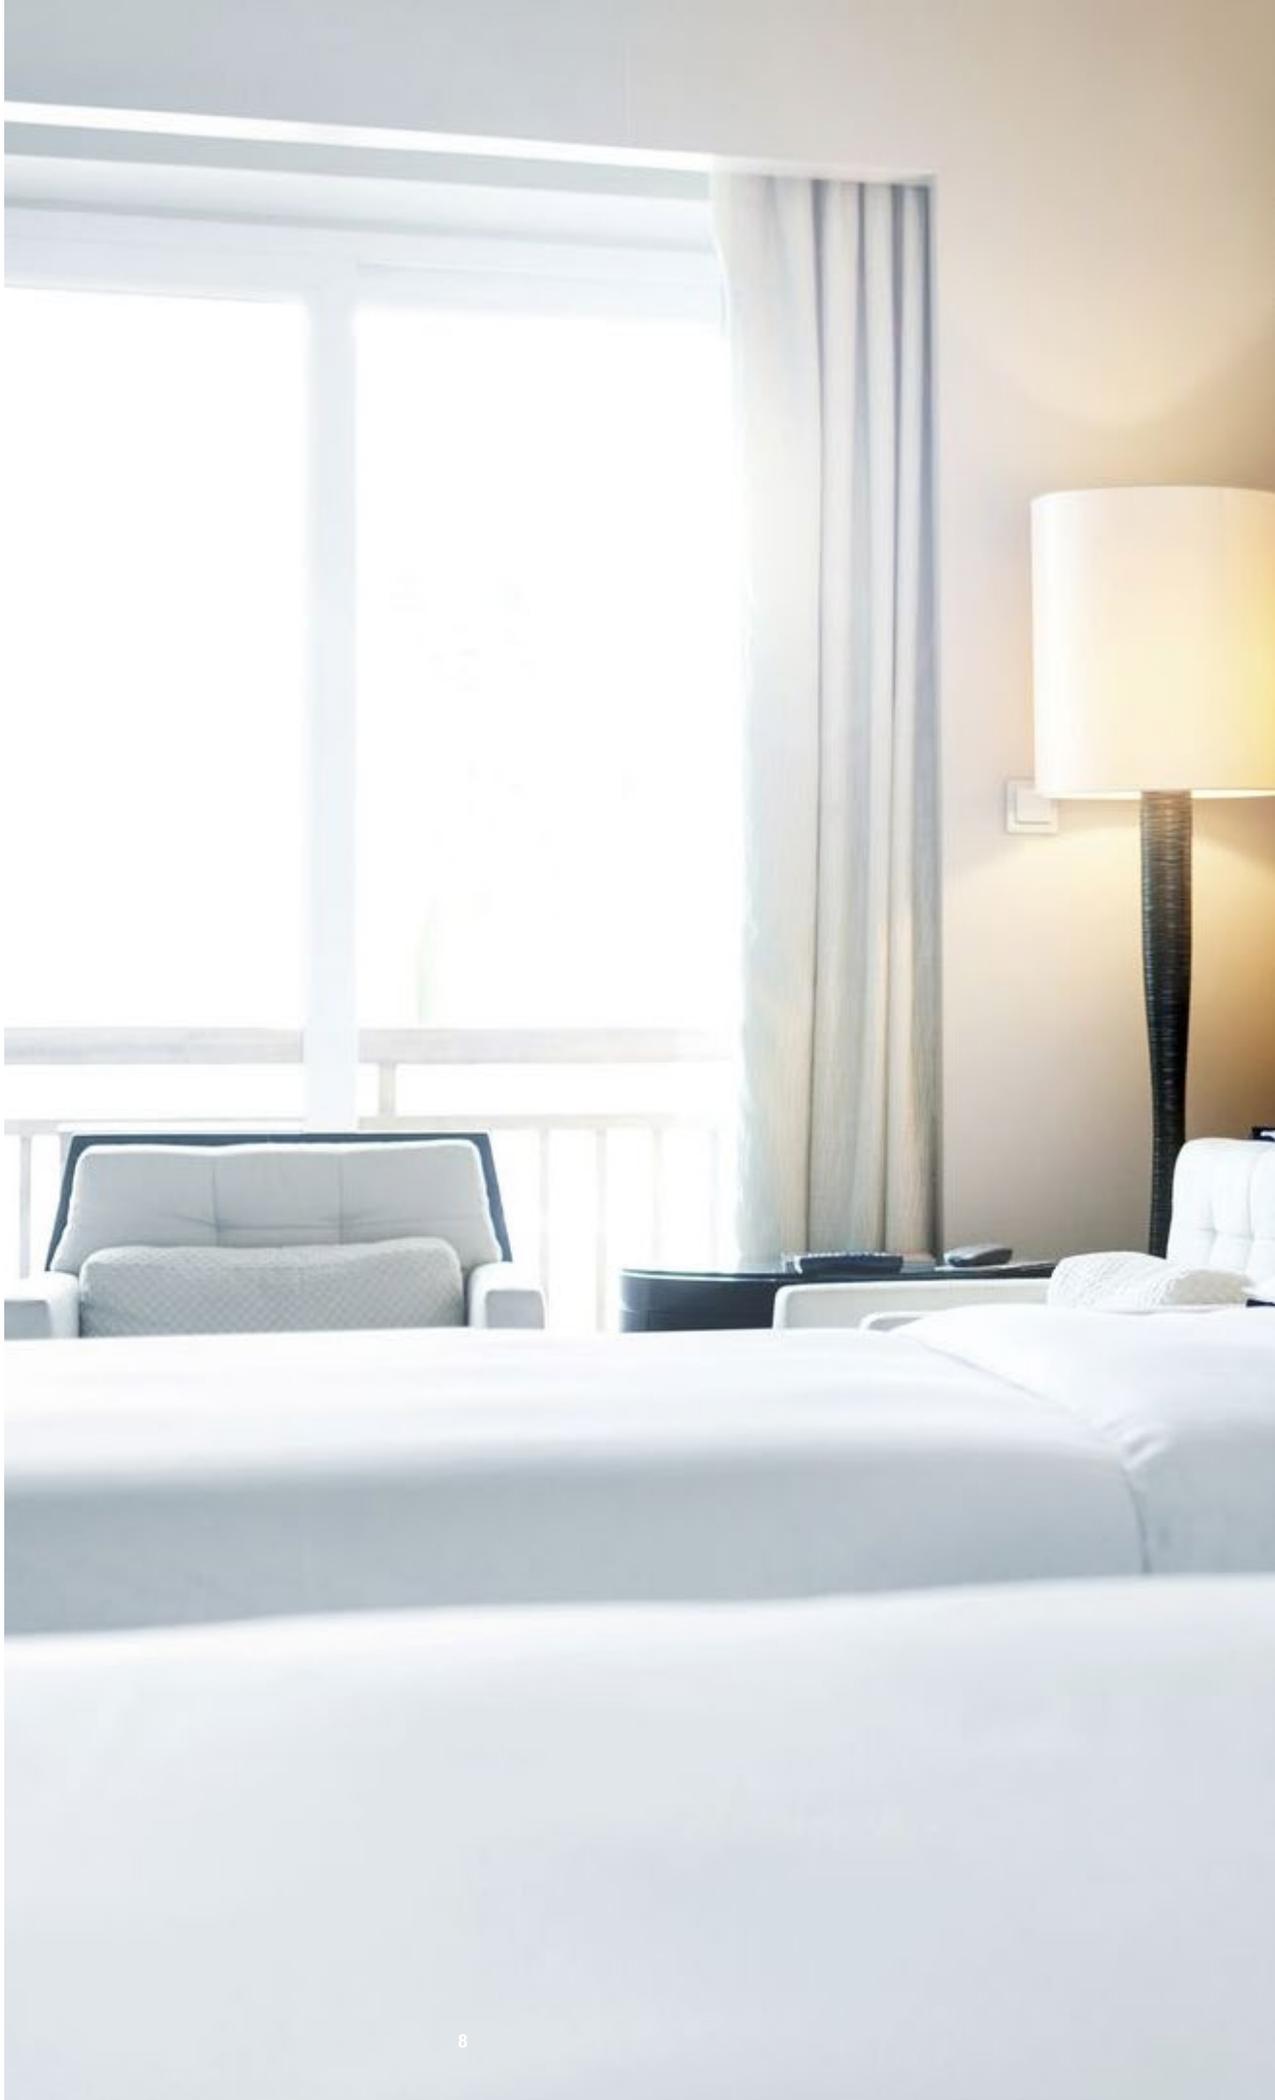

The Spartan bio-based seal guarantees the percentage of biobased content in each product. All of Spartan's BioRenewables products are tested by an outside, USDA approved laboratory to certify the percentage of bio-based raw materials found in the product. Using these products promotes North American agriculture and reduces our dependence on foreign oil.

These products have been evaluated by UL with respect to regulations for slip resistance. In the Classification service, UL determines that a manufacturer has demonstrated the ability to produce a product complying with UL's requirements.

Certified kosher by OK Kosher Certification.

# AIR CARE

# AIR CARE

## Airlift® Citrus

Citrus melody of fresh squeezed orange and lemon, Airlift Lemon Scent is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

**pH 7.0-8.0 • Ready-to-use**

Part Code	Pack Size
303103C	1 quart (12 per case)

## Airlift® Clear Air Odor Eliminator 27

With a new odor encapsulating technology, Airlift Clear Air Odor Eliminator 27 doesn't just cover up odors, it eliminates, traps and removes them from the air, significantly reducing the malodor present in the room. Airlift Clear Air Odor Eliminator 27 features a crisp, long lasting fragrance that neutralizes even the strongest odors, leaving a clean, refreshing scent.

**pH 6.0-8.5 • 2 oz/gal**

480702C	2 liter (4 per case)

## Contempo V®

Low foaming extraction cleaner concentrate formulated for new stain resistant carpet and other extraction tasks. Low foaming, anionic detergents are the foundation of Contempo V. These anionic detergents actually increase the negative electrostatic field between soil and stain resistant carpet fibers, resulting in quick, effective removal of soil. Residue dries to a crystal for quick vacuuming.

## Defoamer

Defoamer works with your primary chemical product to significantly reduce foam in recovery tanks of hot and cold water soil extractors, automatic shampooing equipment and floor scrubbers, providing time and labor savings. Defoamer has been proven to not harm equipment.

**pH 9.0-10.0 • Ready-to-use**

302404C	1 gallon (4 per case)
---------	-----------------------

## Plus-5®

Formulated with high foaming, synthetic wetting and drying agents, inorganic builders, buffers, and solvents. Plus 5 is designed for extremely heavy duty shampooing tasks. Use in foam or rotary machines. Fast acting detergent complex penetrates and emulsifies grease, oil and ordinary soil. Anti-static.

**pH 9.5-10.0 • 8-13 oz/gal**

300504C	1 gallon (4 per case)
300555C	55 gallon drum

## Spartagard®

Spartagard is designed to provide total carpet protection. Spartagard protects carpet fibers against penetration of water and oil-based spills and helps prevent unsightly spots and stains. The need for frequent shampooing is greatly reduced since Spartagard maintains and extends the original beauty of carpeting resulting in carpets that look better longer.

**pH 4.5-5.5 • 21-32 oz/gal**

307204C	1 gallon (4 per case)
---------	-----------------------

## SSE Carpet Prespray & Spotter®

Use SSE Carpet Prespray & Spotter for spray and extract carpet cleaning applications. SSE Carpet Prespray & Spotter can also be used to pre-treat traffic lanes prior to shampooing or extracting. An efficient emulsifier, SSE Carpet Prespray & Spotter also doubles as a general purpose spotter.

**pH 8.5-9.5 • Ready-to-use**

303503C	1 quart (12 per case)
---------	-----------------------

## Xtraction II®

Xtraction II is a fast-acting, heavy-duty carpet cleaner for use with hot or cold water extractors. Featuring a power boosting dual surfactant system, the low foaming solution leaves no residue to contribute to re-soiling. Xtraction II does not create unnecessary suds which may clog equipment or inhibit the efficiency of vacuum pick up.

**pH 11.3-11.8 • 2 oz/gal**

309604C	1 gallon (4 per case)
---------	-----------------------

## Xtraction II® 9

Xtraction II is a fast acting, heavy-duty carpet cleaner for use with hot or cold water extractors. Featuring a power boosting dual surfactant system, the low foaming solution leaves no residue to contribute to re-soiling. Xtraction II does not create unnecessary suds which may clog equipment or inhibit the efficiency of vacuum pick up.

472402C 2 liter (4 per case)

## Airlift® Clear Air Odor Eliminator 27

With a new odor encapsulating technology, Airlift Clear Air Odor Eliminator 27 doesn't just cover up odors, it eliminates, traps and removes them from the air, significantly reducing the malodor present in the room. Airlift Clear Air Odor Eliminator 27 features a crisp, long lasting fragrance that neutralizes even the strongest odors, leaving a clean, refreshing scent.

**pH 6.0-8.5 • 2 oz/gal**

480702C 2 liter (4 per case)

## Airlift® Tropical 13

Airlift Tropical is a deodorant formulated to control and eliminate unpleasant odors wherever they occur. The formulation incorporates special ingredients to assist in the initial control of offensive odors caused by stale smoke, mildew, urine, and vomit. Airlift may be sprayed on carpet when extra carpet freshness is desired.

**pH 6.0-7.0 • 2 oz/gal**

471002C 2 liter (4 per case)

## BioRenewables® Glass Cleaner 18

BioRenewables Glass Cleaner is a bio-based product designed to clean mirrors, glass, and Plexiglas® surfaces. For use on window glass, panes and sills, mirrors, countertops, chrome, automobile glass, fluorescent lights and tubing, and any other glass or mirror finish. BioRenewables Glass Cleaner removes tough soils such as grease, smoke, oils, tape residue, food stains, dust, and dirt.

**pH 8.0-9.0 • 2 oz/gal**

483502C 2 liter (4 per case)

## Clean by Peroxy® 15

Clean by Peroxy is a Green Seal™ Certified all-purpose cleaner that is environmentally responsible. With the cleaning power of peroxide, Clean by Peroxy is a unique product that will effectively clean windows, mirrors, floors, walls, carpets, restrooms, kitchens, tile and grout without streaking. Clean by Peroxy minimizes the number of products, simplifying training and inventory management.

**pH 2.0-3.0 • 2 oz/gal**

482002C 2 liter (4 per case)

## Damp Mop 8

No-rinse floor cleaner concentrate reduces time and labor cost of daily maintenance of high gloss, metal-interlock floor finishes. Quickly and effortlessly removes dirt and other surface soils in heavily trafficked areas. Quick drying, Damp Mop leaves no residue or haze to dull floor finish. With a pleasant lemon fragrance, Damp Mop is also biodegradable and phosphate-free.

**pH 7.0-8.0 • 2 oz/gal**

473602C 2 liter (4 per case)

## Foamy Bath & Restroom Cleaner 14

Medium to heavy-duty cleaner, degreaser, and maintainer formulated for use on baths, restrooms, and on shower room surfaces, toilet bowls, and urinals. Effective in the removal of body lotion, oils, bath oils, soap scum, and scale. Foamy Bath & Restroom 14 is bright orange in concentrated form, and very pale - almost clear, when diluted. The product is non-viscous.

**pH 12.5 • 2 oz/gal**

481502C 2 liter (4 per case)

# CLEAN ON THE GO® (CONTINUED)

## Multi Surface Cleaner 4

Multi Surface Cleaner quickly penetrates and emulsifies even ground in greasy soils. Safe to use on a variety of surfaces including finished floors, Multi Surface Cleaner's aggressive cleaning power makes it particularly effective as a top scrub for removing heavy or burnished-in soils commonly found in high traffic areas.

**pH 10.8-11.2 • 2 oz/gal**

**Part Code**    **Pack Size**  
474002C    2 liter (4 per case)

## Peroxy Protein Remover, Cleaner & Whitener

Peroxy Protein Remover, Cleaner & Whitener is a hydrogen peroxide-based cleaner designed to remove proteins and whiten protein stains from all types of food preparation surfaces. Formulated specifically for food handling, food processing, and food service operations, Peroxy Protein Remover can be used as a general purpose cleaner to remove animal fat, grease, blood, vegetable oils, food residues and other tough soils.

**pH 2.0-3.0 • 2 oz/gal • CFIA Accepted**

482202C    2 liter (4 per case)

## Smoke & Odor Eliminator 5

Powerful earthy scent with hints of leather and pine, Smoke & Odor Eliminator is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

**pH 6.0-7.0 • 2 oz/gal**

478602C    2 liter (4 per case)

## SparClean® Pot and Pan Detergent 20

SparClean Pot and Pan Detergent is specifically designed for manual washing of excessively soiled kitchen items. Even at lean dilutions, SparClean Pot and Pan Detergent will quickly and efficiently penetrate and emulsify baked on grease and food. SparClean Pot and Pan Detergent can be used in both single sink and 3-sink systems.

**pH 7.5-8.0 • 0.25-2 oz/gal**

484502C    2 liter (4 per case)

## SparClean® Silverware Pre-soak 21

SparClean Silverware Pre-soak is designed to breakdown stubborn food residues from silverware, utensils, and dishes using a proprietary triple action enzymatic formula. When used as part of everyday dish washing procedures, SparClean Silverware Pre-soak helps to ensure one pass dish washing.

**pH 7.5-8.0 • 2-3 oz/gal**

485002C    2 liter (4 per case)

## SparClean® Super Suds 25

SparClean Super Suds delivers powerful cleaning and long-lasting, luxurious suds. Formulated with Aloe, Super Suds aggressively emulsifies and removes baked-on grease or food soils while conditioning hands. Plus, the powerful grease-cutting formula is concentrated, so you can use less to wash more.

**pH 6.5-7.5 • 0.25 oz/gal**

480402C    2 liter (4 per case)

## SparClean® Sure Step 23

Grease is inescapable in a kitchen environment, especially in and around grills and fryers. Over time, this grease builds-up in kitchen tile and grout, creating a slippery, safety hazard. SparClean Sure Step is a no-rinse, enzyme floor cleaner that breaks down built-up grease, improving slip resistance. SparClean Sure Step enzymatic action continues to work even when the floor is dry!

**pH 7.0-8.0 • 2 oz/gal**

480202C    2 liter (4 per case)

# CLEAN ON THE GO® (CONTINUED)

## Super Concentrated Glass & Hard Surface Cleaner 3

A highly-dilutable formula designed to clean glass and other hard surfaces quickly and with minimal effort. Super Concentrated Glass & Hard Surface Cleaner contains no ammonia, no vinegar and minimal isopropanol. Rinse free, Super Concentrated Glass & Hard Surface Cleaner leaves surfaces clean and streak free.

**pH 9.5-10.5 • 2 oz/gal**

**Part Code** 473002C **Pack Size** 2 liter (4 per case)

## THE Degreaser 6

An ecologically sound, environmentally conscious, heavy-duty all-purpose industrial cleaner formulated to remove grease, oil and other tough soils without upsetting the ecosystem of water and waste treatment facilities. THE Degreaser is a powerful detergent complex with aggressive grease emulsification ability that quickly penetrates, emulsifies and removes tough industrial soils such as soot, oils and lubricants.

**pH 11.7-12.3 • 2 oz/gal**

473402C 2 liter (4 per case)

## TriBase® Multi Purpose Cleaner 17

TriBase Multi Purpose Cleaner is a BioRenewables product formulated to clean a multitude of soils on a variety of surfaces. With three main bio-based materials, TriBase Multi Purpose Cleaner is a non-VOC, less toxic, biodegradable product. Formulated to handle everyday cleaning tasks, as well as, heavier duty challenges, TriBase is great for glass, mirrors, floors, walls, restroom and kitchen surfaces, and tile.

**pH 8.0-9.0 • 2 oz/gal**

483002C 2 liter (4 per case)

## Xcelenté™ 24

Enjoy the fresh, clean fragrance of lavender while you clean with Xcelenté multi-purpose, hard surface cleaner. The phosphate-free formula is great for floors, and other surfaces where a bright, shiny, streak free finish is desired. With a long-lasting, fragrant bloom of lavender, Xcelenté will delight building residents and visitors throughout the day.

**pH 7.0-8.0 • 0.5-3 oz/gal**

480302C 2 liter (4 per case)

## Xtraction II® 9

Xtraction II is a fast acting, heavy-duty carpet cleaner for use with hot or cold water extractors. Featuring a power boosting dual surfactant system, the low foaming solution leaves no residue to contribute to re-soiling. Xtraction II does not create unnecessary suds which may clog equipment or inhibit the efficiency of vacuum pick up.

**pH 11.3-11.8 • 2 oz/gal**

473802C 2 liter (4 per case)

## SAM Single

The Spartan SAM Single stainless steel unit dispenses diluted chemical directly into quart bottles, buckets or equipment. With an accurate dilution range from 1:3 to 1:256, the robust and durable dilution control unit is simple to operate with a locking button operation.

**Part Code**   **Pack Size**

919200   Each

## SAM Spartan Accurate Measurement Dispensing System

The SAM Spartan Accurate Measurement Dispensing System stainless steel unit dispenses diluted chemical directly into quart bottles, buckets or equipment. Connect to three different products. With an accurate dilution range from 1:3 to 1:256, the robust and durable dilution control unit is simple to operate with a locking button operation.

921000   Each

## Spartan Foam Gun Model #481

The Spartan Foam Gun Model #481 produces ready-to-use foam on demand. Simply add the concentrated product of choice to the translucent tank and connect the gun handle to a water line and you're all set. The system features a replaceable metering tip to enable dilution and adjustment from 1:10 to 1:256.

997300   Each

## Spartan Tote Dispensing System

The Spartan Tote Dispenser System facilitates easy dilution control for heavy chemical usage items. Utilizing gravity to dilute and dispense the chemical, the Spartan Tote Dispenser System also features a fast-fill hose perfect for filling auto scrubbers. The system includes: one empty tote, one HydroMinder #511 and one tote tapping parts assortment.

907400   275 gallon  
907700   330 gallon

## SpartaSprayer 2.0

The SpartaSprayer 2.0 is a compact, manual pump-up sprayer with maximum portability for small jobs and spot cleaning. A comfortable grip handle with trigger provides quick on/off control. The 2 liter tank features Viton seals for chemical compatibility and easy visibility of product levels.

997501   Each

## Taurus Push Button Single Pump Dispenser

The Taurus is a fully programmable single pump dispenser designed for use on top load laundry applications as well as any application requiring a single product to be dosed with extreme accuracy. Once programmed, a simple press of the button begins the dispensing cycle. A tool-free squeeze tube change out, offers convenient preventative maintenance.

930200   Each

## Top Load Laundry Dispenser (2 Pump)

The Spartan Top Load Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including an integrated controller and wall mounted pump module, the automatic management system can handle up to 2 laundry chemicals.

## Chlorinated Degreaser

Heavy-duty concentrated liquid formulated with bleach to quickly remove carbonized soils such as blood stains from floors, walls and food processing equipment. The bleach cleaning action of Chlorinated Degreaser is high foaming and great for fast grease release. Safe to use on aluminum, galvanized steel and stainless steel and works well in hot or cold, hard or soft water.

**pH 13.0-13.5 • 6 oz/gal • CFIA Accepted**

307404C	1 gallon (4 per case)
307415C	15 gallon drum
307430C	30 gallon drum
307455C	55 gallon drum

## Chlorinated Plus

Chlorinated Plus is an ultra heavy-duty, strong alkaline, high foam, concentrated degreaser, fortified with bleach. Chlorinated Plus is formulated for heavily soiled food processing surfaces and equipment contaminated with animal fats and oils, blood stains, and other baked on carbonized soils. Chlorinated Plus may be used in meat, poultry, seafood, and other food processing industries.

**pH 13.5-14.0 • 1-4 oz/gal • CFIA Accepted**

## DFP-32

Economical general purpose cleaner. Use in all areas of food processing, food handling and food service. Rapidly emulsifies and removes animal fat, grease, vegetable oil, blood, smoke film and other problem soils. Rinsing leaves hard surfaces virtually odorless and film free. Biodegradable. Phosphate free. Kosher and Pareve.

**pH 12.4-12.8 • 4-26 oz/gal • CFIA Accepted**

300804C	1 gallon (4 per case)
300815C	15 gallon drum
300830C	30 gallon drum
300855C	55 gallon drum

## Eggs-So-Clean® Egg Washing Compound

A uniquely formulated washing compound specifically designed for use in shell egg washing applications. Non-chlorinated, Eggs-So-Clean Egg Washing Compound, is a combination of several surfactants that aid in cleaning and preventing soil from redepositing on the eggshell. Provides efficient egg washing by quickly removing chicken feces, blood, dirt, mud, feathers, insects and other soil from the eggshell.

**pH 13.5 • 0.5 oz/gal • CFIA Accepted**

312905C	5 gallon pail
312955C	55 gallon drum
312960C	275 gallon tote

## Eggs-So-Clean® pH Booster

Designed to use in conjunction with Eggs-So-Clean Egg Washing Compound, Eggs-So-Clean pH Booster is a 25% caustic solution designed to insure proper pH. Eggs-So-Clean pH Booster neutralizes the level of contaminants such as egg proteins, soils, and other egg waste in the wash water. This assures a pH level in keeping with Industry and HACCP (Hazard Analysis and Critical Control Points) guidelines of 10.0 or greater.

**pH 14.0 • 1 oz/100 gal • CFIA Accepted**

312505C	5 gallon pail
312555C	55 gallon drum

# FOOD PRODUCTION SANITATION (CONTINUED)

## Foaming Acid Cleaner FP

This concentrated, high performance, phosphoric acid based product is specifically formulated and boosted with high foamers for use in dairy and food processing applications. Foaming Acid Cleaner FP's high foaming feature provides a thick, rich foaming lather that grips vertical and horizontal surfaces extending contact time for better cleaning performance.

**pH < 1.0 • 1-10 oz/gal • CFIA Accepted**

Part Code	Pack Size
308105C	5 gallon pail
308115C	15 gallon drum

308160C	275 gallon tote

## Foaming Caustic Cleaner FP

A high foam, high alkaline, liquid concentrate, Foaming Caustic Cleaner FP penetrates, emulsifies and removes tough food soils as well as natural and liquid smoke residue from smokehouses and other food processing equipment. The powerful cleaning force of sodium hydroxide and sodium metasilicate saponifies fat, dissolves protein, and removes carbonized and greasy soils quickly and efficiently.

**pH 14.0 • 1-12 oz/gal • CFIA Accepted**

317905C	5 gallon pail
317915C	15 gallon drum
317930C	30 gallon drum
317955C	55 gallon drum
317960C	275 gallon tote

## Freezer Cleaner FP

Freezer Cleaner FP is a heavy-duty formula designed to clean floors, walls and equipment in sub-freezing cold storage and freezer areas without the need for defrosting. A unique solvent-detergent blend, Freezer Cleaner FP, contains solvents to depress the freezing point and cut grease as well as detergents to emulsify and penetrate surface soils.

**pH 9.5-10.5 • 1:1-3:1**

312804C	1 gallon (4 per case)
---------	-----------------------

## High Acid Cleaner FP

Formulated for dairy and food processing industry. Removes mineral deposits like milkstone and beerstone from stainless steel, and other acid resistant surfaces. Low foaming, with complete rinsability, High Acid Cleaner FP is an excellent product for CIP cleaning and neutralizing applications. Assists dairies in compliance with the grade "A" Pasteurized Milk Ordinance.

**pH < 1.0 • 1-10 oz/gal • CFIA Accepted**

308204C	1 gallon (4 per case)
308215C	15 gallon drum

308255C	55 gallon drum
308260C	275 gallon tote

## Inspector's Choice®

Designed to tackle tough cleaning and degreasing jobs, Inspector's Choice offers fast, foamy, grease release action for animal fats and organic oils. Unlike other meat room cleaners, Inspector's Choice foam has a unique lifting action that actually brings the soils to the surface allowing them to be rinsed away. Residue free, Inspector's Choice is safe for use on quarry tile and other food prep surfaces.

**pH 13.0-13.5 • 4-26 oz/gal • CFIA Accepted**

304504C	1 gallon (4 per case)
304515C	15 gallon drum
304530C	30 gallon drum
304555C	55 gallon drum
304560C	275 gallon tote

## LFC®

High alkalinity and bleach form the base of this low foam, high performance formula developed exclusively for pressure cleaning. The low foaming characteristic of LFC mean less foam and less time spent rinsing. LFC's bleach cleaning action provides quick protein removal and de-staining. The buffered alkaline components react with fats to emulsify, remove fatty soils, grease, oils and carbonized soils.

**pH 13.0-14.0 • 6 oz/gal • CFIA Accepted**

307504C	1 gallon (4 per case)
307515C	15 gallon drum

## Green Solutions® Floor Finish Remover

Green Solutions Floor Finish Remover is a low-odor, low-VOC (volatile organic compounds) remover specifically formulated to strip Green Solutions Floor Seal & Finish. Use in facilities and confined areas with confidence. Green Solutions Floor Finish Remover is fast acting and pleasant to use. An ideal choice for healthcare facilities, retail establishments, schools, administrative type offices and public buildings.

**pH 10.5-11.5 • 6-64 oz/gal**

## iShine

iShine is a 25% high solids floor finish that employs patented optically enhanced polymer technology to amplify the overall gloss appearance and clarity of floors. The unique blend possesses cutting edge raw materials to form a high-solids finish that provides total protection. iShine is a durable finish that has excellent scuff mark, water spot, black heel mark resistance and is formulated to provide maximum protection.

**pH 8.0-9.0**

## L.O.E. Stripper®

L.O.E. Stripper is a low-odor finish and wax remover, formulated for use in confined areas where strong floor finish remover odor presents a problem. The fragrance-free formula keeps the indoor air quality clear of unpleasant odors. L.O.E. Stripper contains no butoxyethanol for those who prefer a non-butyl stripper floor finish remover.

**pH 13.0-13.7 • 6-12 oz/gal**

## Marble Mop

A film-free concentrate for damp mop maintenance of marble and stone floors. An easy and cost effective maintenance solution, the no-rinse formula saves time and labor costs. It's safe to use every day—especially in heavily trafficked areas. Floor appearance is enhanced, and the life of Marble Polish is substantially extended.

**pH 7.0-8.0 • 2-6 oz/gal**

## N/C No Charge® Static Dissipative Floor Cleaner

N/C No Charge Static Dissipative Floor Cleaner is formulated for use on floors where static dissipative activity is needed. Designed to be used with N/C No Charge Floor Finish, N/C No Charge Static Dissipative Floor Cleaner maintains the static dissipative qualities with each cleaning.

**pH 5.0-6.0 • 2 oz/gal**

## N/C No Charge® Static Dissipative Floor Finish

N/C No Charge Static Dissipative Finish adds protection from most types of ESD damage while providing exceptional gloss, depth, and clarity. The thermoplastic polymers, resins and waxes assist in the dissipation of electrical charges from objects moved across a floor, preventing an accumulation of electrical charges.

**pH 8.6-8.8**

# HARD FLOOR CARE (CONTINUED)

## On an' On®

Non-buff metal interlock floor finish requires fewer coats, reducing labor. A high solids, non-buff, metal interlock floor finish, On an' On combines deep glossy beauty with tough wear-ability to reduce overall labor costs. Unlike some high-solids floor finishes, On an' On levels smoothly, and is applied with ease.

**pH 9.0-9.5**

407360C	275 gallon tote

## On Base

On Base provides a tough, durable protective base that resists water marks and scuffs and keeps scratches from penetrating through to base flooring. Unlike other seals, On Base may be used on a variety of hard floors including resilient tile, rubber, asphalt, vinyl, vinyl asbestos and vinyl composition, synthetic-type gym floors, as well as some types of marble, wood and slate.

**pH 8.0-8.5**

555505C	5 gallon pail
---------	---------------

## PROmatte™

PROmatte is a matte sealer, floor finish and protectant optimal for facilities seeking a low-maintenance, low-gloss finish. Camouflaging wear and tear, PROmatte provides a high perception of care while reducing labor costs. Highly resistant to black-heel markings and scuffs, PROmatte deepens the floors true color and provides a long lasting, unblemished appearance.

**pH 8.0-9.0**

407504C	1 gallon (4 per case)
---------	-----------------------

## Pro-Shine

Pro-Shine is a high-gloss acrylic emulsion modified with urethane and designed for use with high-speed equipment. Extremely durable and movable, Pro-Shine's quick response to the thermal heat generated by high-speed equipment substantially reduces the time required for removing black heel marks, scratches, and scuffs from heavily trafficked areas.

**pH 9.0**

408205C	5 gallon pail
---------	---------------

## Shineline Floor Prep®

Specially formulated to eliminate alkaline residue remaining on floors after stripping or restorative cleaning. Shineline Floor Prep leaves floors conditioned, film free and ready for application of seal and finish. Floors prepped with Shineline Floor Prep allow deep penetration of seal and better bonding resulting in an extended life of the finish.

**pH < 1.0 • 5 oz/gal**

302904C	1 gallon (4 per case)
---------	-----------------------

## Shineline Seal®

Shineline Seal is a thermoplastic seal specifically designed for use with Upper Limits and High Frontier floor finishes. Just two coats of Shineline Seal are needed to condition, seal, and protect a floor. A high-gloss, wet-look appearance is accomplished by building gloss from the first coat of seal to the last coat of finish.

## BioRenewables® Industrial Degreaser

BioRenewables Industrial Degreaser is a user-friendly, industrial strength degreaser designed to be used in concentrate form. Formulated with soybean oil technology and boosted with d-limonene, this degreaser tackles even the toughest tasks. 100% active, BioRenewables Industrial Degreaser works in many medium to heavy duty cleaning tasks.

**pH N/A • Ready-to-use**

231005C	5 gallon pail
231055C	55 gallon drum

## BioRenewables® Waterless Plus

BioRenewables Waterless Plus is a heavy-duty waterless hand cleaner with pumice that does not require rinsing. With a powerful soybean oil solvent and a blend of surfactants, BioRenewables Waterless Plus can handle the toughest soils. With a cold-cream consistency, an opaque green color and a fresh herbal fragrance, BioRenewables Waterless Plus is pleasant to use. With the addition of pumice, BioRenewables Waterless Plus can break through soils quickly and easily. The pumice penetrates the small crevices in hands and lifts away the ground in grime. BioRenewables Waterless Plus is formulated with medium grain pumice that is coarse enough to break apart stubborn soils, but gentle enough to be used on the skin.

**pH 7.0-8.0**

297404C	1 gallon (4 per case)
---------	-----------------------

## Grub Scrub®

Grub Scrub is a heavy-duty, pumpable hand cleaner formulated with d-limonene, pumice and moisturizers that work efficiently to penetrate and remove the toughest dirt, grease and grime from hard working hands. It goes where you go and works where you work to get your hands clean in the washroom or at the workbench. Hands feel soft, clean and fresh. No lingering fragrance or residue to offend senses. A unique emulsifying and surfactant system that works synergistically and d-limonene for quick efficient removal of grease.

## Tough Duty® NB

Tough Duty NB is a non-butyl, ready-to-use cleaner/degreaser recommended for use in facilities where butyl cleaners are restricted. Safe for use on nearly every washable surface, use Tough Duty NB on walls, partitions, floors, vinyl, chrome, stainless steel, etc. This unique ingredient combination provides unusual ability to quickly penetrate and remove both food and industrial type grease-based soils.

**pH 11.5-12.0 • Ready-to-use**

205003C	1 quart (12 per case)
---------	-----------------------

## Tough on Grease®

With a non-butyl, water soluble cleaner/degreaser featuring polemic technology, Tough on Grease assists in the removal of stubborn non-polar soils such as tire and rubber marks, asphalt, tar, oil, carbon exhaust, etc. Its low-foaming characteristic permits use with pressure washers, automatic scrubbers, brushes, mops or as a spray and wipe for walls and equipment.

### Blue Spar

Blue Spar is a medium-duty, oil-free, multi-functional synthetic coolant formulated to provide increased corrosion protection on ferrous and non-ferrous metals. Blue Spar increases sump life and results in a reduction of coolant purchases and waste handling costs. Blue Spar contains selected ingredients to increase wheel life, improve surface finish, and help prevent wheel loading.

**pH 9.5 @ 10%**

Part Code	Pack Size
311305C	5 gallon pail
311355C	55 gallon drum
311360C	275 gallon tote

### The Carbide Grinder

The Carbide Grinder is a dye and perfume free synthetic fluid specifically formulated for grinding cemented carbide (tungsten or titanium carbide) materials with cobalt leaching inhibitors incorporated in its formulation to eliminate or greatly reduce cobalt leaching effects found in most coolants. The Carbide Grinder inhibits cobalt leaching so frequent recharging is not needed. It is formulated with special materials which resist bacterial growth, thereby reducing clean out and recharge costs. It also resists foaming and exhibits excellent filterability to allow for a much cleaner, longer sump life.

**pH 9.1 @ 10%**

278805C	5 gallon pail
---------	---------------

### The Cleaner

The Cleaner is a heavy-duty germicidal detergent complex formulated specifically to remove build-ups and kill odors and rancidity causing microorganisms in the coolant system of metalworking machines prior to recharging with fresh coolant. The Cleaner's disinfecting properties kill odor-causing bacteria and fungus that literally destroy the rust and corrosion inhibitors, lubricating properties, and overall stability of any metalworking fluid. The excellent emulsification characteristic of The Cleaner removes accumulations of grease and lubricating oils from the machine surface, coolant lines, filtration equipment, and the coolant sump... rinsing them away.

299505C	5 gallon tote
299555C	55 gallon drum
299560C	275 gallon tote

### The Cooler

The Cooler is a general purpose multi-duty synthetic chemical coolant for use on cast iron, ductile iron and most other metals. The Cooler leaves a completely water-resoluble rust-preventative film on machine and parts. No gummy, sticky, tacky residue to tie up machine, which creates excessive maintenance costs and also will contribute to excessive bacterial growth. Formulated with a unique blend of wetting agents, The Cooler rejects tramp oil emulsification providing for easy removal of this contaminant through skimming, centrifugation, or other appropriate means. The Cooler contains unique corrosion inhibitors providing corrosion and stain protection on cast iron, steel, aluminum, brass, copper and most modern alloys.

**pH 8.5**

299005C	5 gallon pail

### Cutter EXP® HW

Cutter EXP HW is a multi-functional soluble oil-based product designed to be diluted with hard water to perform heavy, medium and light duty machining and grinding operations. Cutter EXP HW offers extended long-term in-tank stability providing maximum longevity and machine performance.

**pH 10.3 @ 10%**

292505C	5 gallon pail
292555C	55 gallon drum

### The Grinder

The Grinder is a pure synthetic fluid designed for high-speed grinding operations on most metals. The non-foaming formulation of The Grinder eliminates foaming and misting problems on all high-speed grinding operations. Formulated with high-quality raw materials, The Grinder provides excellent rancidity and slime control. When used at the proper concentration, The Grinder eliminates foul odor problems associated with spoiled coolants in manufacturing plants. The Grinder works extremely well with diatomaceous earth, positive media, cyclonic and settling type filtration units.

**pH 9.3**

### The Metal Cleaner

The Metal Cleaner is a solvent-free, moderately foaming, water-dilutable detergent complex formulated to safely remove moderate industrial soils. The Metal Cleaner formula includes multiple rust and corrosion inhibitors to inhibit rust and corrosion on aluminum, steel, cast iron, stainless steel, brass, copper, Hastelloy, Inconel, Titanium, Tantalum, Magnesium, at concentrations ranging from 2:1 (43 ounces per gallon) through 30:1 (4 ounces per gallon). The Metal Cleaner is safe on plastic, glass, ceramic, synthetic rubber, typical o-rings and seals made of Viton, Buna-N, Neoprene, Teflon, polyethylene, polypropylene and most other normally used seals, o-rings and tubing. Specifically developed for parts washing operations, The Metal Cleaner may also be used in conjunction with pressure washers, steam cleaners, dip tanks (hot or cold). Wipe on, brush on, use in soak tanks, moderate pressure spray booths and ultrasonic cleaners. Removes grease, cosmoline grease, oily carbon, carbon exhaust, coolant residues, baked on hydraulic and lube oils, motor oils, die lubes, inks, road film, solvent based rust preventatives, lapping compound, printers ink and other general dirt and debris.

**pH 9.0**

282305C	5 gallon pail

### Metal Spray LF®

Near neutral pH, solvent free, low foaming compound designed for high pressure, high temperature spray washing systems. Unique surfactant produces the low foaming characteristic which is required in high pressure applications. Use for cabinet, tumble drum and in-line conveyor type spray washing systems. Replaces high caustic, high pH degreasers. Environmentally safe. Biodegradable. Phosphate free. User friendly. Contains no substance known to be toxic or highly hazardous to individuals or the environment.

**pH 9.0**

282405C	5 gallon pail

### SemiSpar HD®

SemiSpar HD is a heavy duty, multi-functional, semi-synthetic cutting and grinding fluid. Designed for light, medium and heavy duty machining and/or grinding operations on even hard-to-machine alloys. SemiSpar HD provides multi-metal corrosion protection and excellent longevity in the machine or central system. Leaves a non-sticky, free-flowing, water-resoluble, thin film, corrosion protective residue on the machine and parts. SemiSpar HD provides the excellent tool life and surface finish properties on steels, stainless steel, carbon steel, copper, brass, cast iron and most space age alloys. SemiSpar HD's corrosion inhibiting package protects against surface deterioration due to rust, stain, or corrosion of steel, cast iron, aluminum, brass, copper, galvanized stainless steel and the modern alloys machined today.

## Warewash Dispenser (3 Pump)

The Sprite 3-Pump Warewash Dispenser leads the way in bringing modern technology together with simplified user interface. Auto voltage sensing allows either 115 or 220 volts to be connected to the single power input leads. Simple, 3-button programming controls allows customers to customize the wash package for up to three products.

910200   Each

## Auto Drain

Maintain your drains with little day-to-day effort by using the Spartan Auto Drain. Simply program the Auto Drain to dispense your drain maintenance product at an interval of your choice and the unit will take it from there. Available in battery or electric power options, the Spartan Auto Drain makes it simple to maintain drains using your favorite Consume® product.

920400   Battery power  
920500   Electrical power

## ChemSelect®

The Spartan ChemSelect cleaning and sanitization dispenser is designed for both clean/rinse (one product) and clean/rinse/sanitize (two product) operations. A simple lever operation enables staff to quickly change between steps and ensures accurate dilution control. A convenient, adjustable foam gun attachment provides a thick, rich foam for more effective cleaning.

908000   Each

## Clean on the Go® 3-Sink System Dispenser

The Clean on the Go 3-Sink System Dispenser accurately dispenses detergent and sanitizer for the wash, rinse, sanitize process in kitchens. Ergonomic, locking button action offers ease of fill and simple operation.

905600   Each

## Push 3-Sink Dispenser

The Spartan 3-Sink Push Dispenser offers an affordable and convenient manual dispenser option for 3-sink sanitation in food prep and food service applications. Simply mount unit on wall adjacent to machine and the dispenser will consistency and accurately dispense 1 oz. of product per push.

905900   Each

## UB Selecto

The Spartan UB Selecto is a compact, wall mounted dispensing system for cleaning and sanitization. A simple ball valve operation enables staff to change between wash, rinse, sanitize steps and ensures accurate dilution control. The unit includes a foam gun attachment for effective cleaning.

700205C	5 gallon pail
700215C	15 gallon drum
700255C	55 gallon drum

## Clothesline Fresh® Chlorine Bleach 4

Clothesline Fresh Chlorine Bleach is a chlorine-based bleach that enhances the performance of Clothesline Fresh Laundry Detergents and aids in the removal of tough stains. Formulated with the power of sodium hypochlorite, an inorganic chlorine source, which brightens and whitens fabrics. Clothesline Fresh Chlorine Bleach is used to eliminate stains the detergent operation was unable to remove.

**pH 12.5-13.5**

700404C	1 gallon (4 per case)
700405C	5 gallon pail
700415C	15 gallon drum

## Clothesline Fresh® Color Safe Bleach 5

Clothesline Fresh Color Safe Bleach is a non-chlorinated, oxygen-based bleach that enhances the performance of Clothesline Fresh Laundry Detergents. Clothesline Fresh Color Safe Bleach is safe to use on most all machine-washable fabrics and colors, yet powerful enough to remove even the toughest stains.

**pH 2.5-3.5**

700504C	1 gallon (4 per case)
700505C	5 gallon pail
700515C	15 gallon drum
700555C	55 gallon drum

## Clothesline Fresh® Detergent SE 23

Clothesline Fresh Detergent SE is a heavy-duty, solvent enhanced, liquid laundry detergent specially formulated for use in commercial, healthcare, and on-premise laundries. Use in conjunction with Clothesline Fresh Liquid Alkali to boost its performance for superior soil removal of a wide range of soils on any type of fabric.

**pH 10.5-11.5**

702305C	5 gallon pail
---------	---------------

## Clothesline Fresh® Enzyme Laundry Detergent 11

Clothesline Fresh Enzyme Laundry Detergent is fortified with enzymes and optical brighteners to quickly digest and wash away stubborn stains and soils, leaving the fabric clean and bright. The concentrated blend of enzymes found in Enzyme Laundry Detergent gives you the ability to wash at lower water temperatures and with fewer chemicals while showing an increase in stain removal, whiteness, and soil anti-redeposition.

**pH 7.5-8.5**

701105C	5 gallon pail
---------	---------------

## Clothesline Fresh® Fabric Softener 6

Clothesline Fresh Fabric Softener is a liquid fabric softener designed to soften and eliminate static cling from laundered fabrics and to reduce the rigidity of fabrics which reduces fiber damage and can prolong fabric life. The Softener contains anti-static agents which help to prevent static charge build-up allowing washed fabrics to have a smooth, fluffy feel right out of the dryer smelling clean and fresh.

**pH 5.0-6.0**

700604C	1 gallon (4 per case)
700605C	5 gallon pail
700615C	15 gallon drum
700655C	55 gallon drum

## Clothesline Fresh® Laundry Break 1

Clothesline Fresh Laundry Break is a concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process by allowing individual fibers of a fabric to open up and begin releasing entrapped soil particles. Clothesline Fresh Laundry Break contains biodegradable water softening agents to boost detergent performance.

**pH 14.0**

700105C	5 gallon pail
700115C	15 gallon drum

# LAUNDRY CARE (CONTINUED)

## Clothesline Fresh® Laundry Detergent 3

Clothesline Fresh Laundry Detergent can be used with a complete laundry program or on its own. This product was formulated to contain new advances in chemical surfactants and cleaning technology to provide a deep cleaning formula. Clothesline Fresh Laundry Detergent quickly suspends tough oily and particulate soils to prevent them from redepositing back onto the fabric.

**pH 8.0-9.0**

Part Code	Pack Size
700304C	1 gallon (4 per case)

## Clothesline Fresh® Liquid Alkali 16

Clothesline Fresh Liquid Alkali is an concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process and allows individual fibers of a fabric to open up and begin releasing entrapped soil particles. This product contains biodegradable water softening agents to aid in the washing process and boost detergent performance.

**pH 14.0**

701605C	5 gallon pail
---------	---------------

## Clothesline Fresh® Liquid Laundry Starch 22

Clothesline Fresh Liquid Laundry Starch is a blend of natural and synthetic starches that provide a beautiful hand and body to a variety of fabrics including blends and spun poly. Clothesline Fresh Liquid Laundry Starch is an economical blend of sizing and natural starch polymers designed to provide excellent stiffness and better wash out in a wide range of temperatures.

**pH 4.5-5.0**

702205C	5 gallon pail
702215C	15 gallon drum

## Clothesline Fresh® Oxygen Detergent EP 21

Clothesline Fresh Oxygen Detergent EP is a detergent and color safe bleach in one that naturally brightens colors and whitens whites in the wash! Formulated in partnership with the Environmental Protection Agency's Safer Choice Program, Clothesline Fresh Oxygen Detergent EP features the power of active oxygen, an environmentally preferred and effective oxidizing agent.

**pH 3.5-4.5**

702104C	1 gallon (4 per case)
---------	-----------------------

## Clothesline Fresh® Sour/Softener 9

Clothesline Fresh Sour/Softener is a liquid laundry sour designed to neutralize the pH of the finished wash to a comfortable level which will not irritate skin. Maintaining proper fiber pH is important for prolonging the life cycle of the washed fabric. Clothesline Fresh Sour/Softener also softens and eliminates static cling from laundered fabrics leaving laundered fabrics smelling clean and fresh!

**pH 2.8-3.5**

700905C	5 gallon pail
700915C	15 gallon drum

## Clothesline Fresh® Xtreme Hard Water Alkaline Detergent 10

Clothesline Fresh Xtreme Hard Water Alkaline Detergent is specifically formulated to tackle extreme hard water conditions and extreme soil load levels. The formula is extremely concentrated with water softening and chelating ability, and over 80% more alkalinity when compared to original Clothesline Fresh BLD.

**pH 14.0**

701005C	5 gallon pail
701015C	15 gallon drum
701055C	55 gallon drum

# LAUNDRY CARE (CONTINUED)

## Clothesline Fresh® Xtreme Laundry Sour 17

Clothesline Fresh Xtreme Laundry Sour is a concentrated liquid laundry sour designed to neutralize the pH of the finished wash to a comfortable level which will not irritate skin. Clothesline Fresh Xtreme Laundry Sour will also help to remove iron stains from previously stained linen and is also excellent at removing suntan lotion stains.

**pH < 1.0**

Part Code	Pack Size

701715C	15 gallon drum
701755C	55 gallon drum

## Clothesline Fresh® Xtreme Oxygen Bleach 15

Clothesline Fresh Xtreme Oxygen Bleach is a 25% hydrogen peroxide-based active oxygen bleach that will get your whites white (like chlorine bleach) and keep your colors bright (which chlorine can't do). Overuse of Clothesline Fresh Xtreme Oxygen Bleach will not lead to unsightly yellowing like Chlorine Bleach will tend to do and will also biodegrade into water and oxygen after use in the wash cycle.

**pH 2.5-3.0**

701505C	5 gallon pail
701515C	15 gallon drum

## Clothesline Fresh® All Purpose Spotter S1

Clothesline Fresh All Purpose Spotter treats a broad spectrum of laundry stains including protein, juices, oils, and many others. This spotter can be used as a spotter, pre-soak, or pre-spotter to remove even the toughest stains. Use in conjunction with the complete Clothesline Fresh laundry program to ensure stain removal.

**pH 11.0-12.0 • Ready-to-use**

705103C	1 quart (12 per case)
---------	-----------------------

## Clothesline Fresh® Alkaline Spotter S2

Clothesline Fresh Alkaline Spotter treats food-based oil and grease stains on fabrics. This spotter can be used as a spotter, pre-soak, or pre-spotter to remove even the toughest stains. Use in conjunction with the complete Clothesline Fresh laundry program to ensure stain removal.

**pH 12.2-12.8 • Ready-to-use**

705203C	1 quart (12 per case)
---------	-----------------------

## Clothesline Fresh® Enzyme Spotter S4

Clothesline Fresh Enzyme Spotter is a concentrated laundry spotter and wash additive. The unique enzymatic activity of Clothesline Fresh Enzyme Spotter allows for quick penetration, digestion, and removal of the toughest stains and soils. The proprietary blend of enzymes found in Clothesline Fresh Enzyme Spotter allows for the quick removal of many types of stains particularly protein and starch.

**pH 7.7-8.3 • Ready-to-use**

705403C	1 quart (12 per case)
---------	-----------------------

## Clothesline Fresh® Iodine & Betadine Remover S5

Clothesline Fresh Iodine & Betadine Remover removes iodine, betadine, and chlorine stains from fabrics. Clothesline Fresh Iodine & Betadine Remover will also remove these stains on carpeting! This stain removing power on fabrics and carpet makes Clothesline Fresh Iodine & Betadine Remover ideal for hospitals, nursing homes, and other health care facilities.

**pH 9.0-9.5 • Ready-to-use**

705503C	1 quart (12 per case)
---------	-----------------------

## Clothesline Fresh® Rust and Iron Remover S3

Clothesline Fresh Rust and Iron Remover removes rust and iron stains from fabrics. Use Clothesline Fresh Rust and Iron Remover as a pre-spotter or spotter. Use in conjunction with the complete Clothesline Fresh laundry program to ensure stain removal.

**pH 4.0-4.5 • Ready-to-use**

When the task requires more aggressive restroom cleaning performance, NABC Plus IV natural acid bowl and porcelain cleaner is the environmentally sound answer. Four percent natural, organic citric acid and biodegradable surfactants are the mainstays of the NABC Plus IV formula. NABC Plus IV is the natural solution to tougher restroom cleaning tasks.

**pH 1.5-2.0 • Ready-to-use**

331003C 1 quart (12 per case)

## Orange Tough® 15

Orange Tough 15 is an all-purpose, ready-to-use degreaser with d-limonene. The formula contains a blend of builders, surfactants and wetting agents to provide the extra strength for quick penetrating, dissolving and removal of oily and greasy soils. With 15% natural orange solvent, Orange Tough 15 quickly removes gum, scuff marks, tire marks, oil, grease, and a variety of other difficult soils.

**pH 8.5-9.0 • Ready-to-use**

221603C 1 quart (12 per case)

# READY-TO-USE QUARTS (CONTINUED)

## Oven & Grill Cleaner

Custom formulated Oven & Grill Cleaner provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease and food deposits. Recommended for use in cleaning commercial and institutional ovens, grills, hoods, rotisseries, deep fat fryers, and small cutlery item, etc. Oven & Grill Cleaner is non-flammable and safe to use when the recommended preliminary steps are taken.

**pH 13.5-14.0 • Ready-to-use**

**Part Code** 319403C **Pack Size** 1 quart (12 per case)

## Peroxy II fbc®

The antibacterial cleaning power of Peroxy II fbc kills 99.9% of household bacteria\* (\*Staphylococcus aureus and Enterobacter aerogenes) in 2 minutes. Formulated with hydrogen peroxide and citric acid, Peroxy II fbc cuts through grease and oils, and whitens and brightens hard surfaces. This foaming bath and surface cleaner effectively removes soap scum and hard water films and features a crisp Caribbean fragrance.

**pH 2.5-3.0 • Ready-to-use**

353403C 1 quart (12 per case)

## Premium Wood Polish

Premium Wood Polish is a ready-to-use, silicone-based formula designed to produce a quick shine without an oily residue. This product is great for practically any wood surface, such as wood paneling, wood veneer or washable surfaces like Formica and vinyl. Premium Wood Polish contains both carnauba wax and silicone to not only protect wood finishes, but also create a high gloss shine that is slow to dull.

**pH 7.2-7.8 • Ready-to-use**

302803C 1 quart (12 per case)

## Shine Plus®

Shine Plus is a multi-surface protectant that reconditions, shines, and protects, all in one application. With its unique blend of specially selected silicones, Shine Plus may be used on a variety of surfaces, such as: vinyl, plastic, wood, leather, rubber, and Formica. Shine Plus should only be used on clean dry surfaces and multiple applications will provide more protection and a brilliant shine.

**pH 4.8-5.3 • Ready-to-use**

302503C 1 quart (12 per case)

## Sign Off®

Sign Off Plexiglas cleaner is a proven formula that helps eliminate static electricity without harming computer screens, plastic, or glass surfaces. A non-ammoniated mixture that does not contain solvents, Sign Off has the ability to remove static electricity from virtually any glass, plastic, or metal surface, especially in the dry, winter months when static electricity is a problem.

**pH 8.5-9.0 • Ready-to-use**

329003C 1 quart (12 per case)

## Spraybuff

Spraybuff combines detergents and floor finish polymers in a routine floor maintenance product designed to increase the effectiveness of buffing. Spray buffing provides important preventive maintenance and minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing.

**pH 10.0-10.5 • Ready-to-use**

304003C 1 quart (12 per case)

## SSE Carpet Prespray & Spotter®

Use SSE Carpet Prespray & Spotter for spray and extract carpet cleaning applications. SSE Carpet Prespray & Spotter can also be used to pre-treat traffic lanes prior to shampooing or extracting. An efficient emulsifier, SSE Carpet Prespray & Spotter also doubles as a general purpose spotter.

**pH 8.5-9.5 • Ready-to-use**

303503C 1 quart (12 per case)

# READY-TO-USE QUARTS (CONTINUED)

## Stainless Steel Cleaner

Stainless Steel Cleaner is a ready-to-use stainless steel cleaner and surface protectant. The water-based formula ensures that no oil residue or build up remains on the surface. Continued use will provide protection from finger prints smudging and dust build-up.

**pH 5.5-6.5 • Ready-to-use**

Part Code	Pack Size
326503C	1 quart (12 per case)

## Tough Duty®

Tough Duty is a butyl-based, ready-to-use cleaner and degreaser formulated and packaged for maximum user convenience. A non-viscous clear pink liquid, Tough Duty is an industrial strength all-purpose cleaner with a combination of wetting and cleaning agents fortified with a solvent giving it the ability to quickly penetrate and remove both food and industrial type grease-base soils.

**pH 11.5-12.0 • Ready-to-use**

204003C	1 quart (12 per case)
---------	-----------------------

## Tough Duty® NB

Tough Duty NB is a non-butyl, ready-to-use cleaner/degreaser recommended for use in facilities where butyl cleaners are restricted. Safe for use on nearly every washable surface, use Tough Duty NB on walls, partitions, floors, vinyl, chrome, stainless steel, etc. This unique ingredient combination provides unusual ability to quickly penetrate and remove both food and industrial type grease-based soils.

**pH 11.5-12.0 • Ready-to-use**

205003C	1 quart (12 per case)
---------	-----------------------

## Xcelenté™ Multi Purpose Cleaner RTU Handi Spray®

Enjoy the fresh, clean fragrance of lavender while you clean with Xcelenté multi-purpose, hard surface cleaner. The phosphate-free formula is great for floors, and other surfaces where a bright, shiny, streak free finish is desired. With a long-lasting, fragrant bloom of lavender, Xcelenté will delight building residents and visitors throughout the day.

**pH 6.5-7.5 • Ready-to-use**

318603	1 quart (12 per case)
--------	-----------------------

## Xcelenté™ Odor Eliminator RTU Handi Spray®

Xcelenté Odor Eliminator is a ready-to-use air neutralizer that provides the same delightful lavender fragrance as Xcelenté Multi-Purpose Cleaner. With odor encapsulating technology, Xcelenté Odor Eliminator RTU Handi Spray has the capability to trap and remove even the strongest odors from the air leaving a fresh, clean lavender fragrance.

**pH 6.0-8.5 • Ready-to-use**

305303C	1 quart (12 per case)

# RESTROOM CARE

# RESTROOM CARE

## Acid Bathroom & Shower Cleaner 7

A light to medium duty cleaner/maintainer formulated for use on restroom and shower room surfaces, toilet bowls and urinals. This non-fuming, surface friendly acid, when used as directed, will not cause severe corrosivity to most metal surfaces. Acid Bathroom & Shower Cleaner has a citrus-y, clean, fresh deodorizing fragrance with no offensive acid bite.

**pH <1.0 • 2 oz/gal**

**Part Code**    **Pack Size**  
472402C    2 liter (4 per case)

## BioRenewables® Restroom Cleaner

BioRenewables Restroom Cleaner is a ready-to-use, bio-based product designed to clean toilets, urinals, and shower rooms. This restroom cleaner features a cool citrus fragrance and contains 8% citric acid, derived from a renewable resource, which provides efficient cleaning action that quickly removes soap scum, water spots and light rust from toilet bowls, urinals and similar hard, non-porous bathroom surfaces.

**pH 1.5-2.5 • Ready-to-use**

353003C    1 quart (12 per case)

## Bloc-Aid®

Bloc-Aid is a ready-to-use, non-acid, liquid drain and sewer cleaner plus maintainer. A small amount of Bloc-Aid used regularly in free-flowing drains will help prevent common sludge build-ups that cause drains to become slow and eventually cause clogs. It is safe to use in garbage disposals, septic tanks and cesspools without harm to plumbing.

**pH 13.5 • Ready-to-use**

738003C    1 quart (12 per case)

## Foamy Bath & Restroom Cleaner 14

Medium to heavy-duty cleaner, degreaser, and maintainer formulated for use on baths, restrooms, and on shower room surfaces, toilet bowls, and urinals. Effective in the removal of body lotion, oils, bath oils, soap scum, and scale. Foamy Bath & Restroom 14 is bright orange in concentrated form, and very pale - almost clear, when diluted. The product is non-viscous.

**pH 12.5 • 2 oz/gal**

481502C    2 liter (4 per case)

## GS Restroom Cleaner

GS Restroom Cleaner is a natural acid, toilet, urinal, and shower room cleaner. GS Restroom Cleaner contains 8% natural, citric acid—the same organic acid found in lemons and limes. By its very nature, this natural acid provides efficient cleaning action that quickly removes soap scum, water spots and light rust from toilet bowls, urinals and shower room walls and floors.

**pH 1.5-2.5 • Ready-to-use**

350303C    1 quart (12 per case)

## Heavy Duty Bowl Cleanse

Heavy Duty Bowl Cleanse disinfects against many dangerous bacteria found in toilet bowls and urinals and removes tough stains, rust and scale. Formulated with metal corrosion inhibitors, Heavy Duty Bowl Cleanse protects plumbing and is safe for use on all vitreous china surfaces.

**pH < 1.0 • Ready-to-use**

712303    1 quart (12 per case)

## M\*95

M\*95 quickly removes soap, hard-water deposits and tough stains such as verdigris, rust, mildew and uric acid from tile, porcelain, vitreous china and metal. M\*95 has many uses—from soap scum remover to metal brightener. M\*95 will not harm acid-resistant surfaces when used according to directions and has a fresh outdoor fragrance and deodorizes as it cleans.

**pH < 1.0 • Ready-to-use**

711503C    1 quart (12 per case)

# RESTROOM CARE (CONTINUED)

## M.L.D. Bowl Cleanse

M.L.D. Bowl Cleanser destroys many dangerous bacteria found in toilet bowls. M.L.D. Bowl Cleanse quickly removes rust, scale and lime deposits. M.L.D. Bowl Cleanse is formulated to eliminate unpleasant restroom odors, not mask them. M.L.D. Bowl Cleanse will not harm plumbing or septic tanks. M.L.D. Bowl Cleanse is packaged in a handy unbreakable plastic bottle with an acid-resistant label.

**pH < 1.0 • Ready-to-use**

### Part Code Pack Size

712703 1 quart (12 per case)

## NABC® Non-Acid Disinfectant Bathroom Cleaner

NABC Non-Acid Disinfectant Bathroom Cleaner is a ready-to-use, non-acid formulation formulated to disinfect, clean and deodorize toilet bowls, urinals, and similar hard non-porous inanimate bathroom surfaces. NABC is ready-to-use and disinfects, cleans, and deodorizes in one step. Plus, it is bactericidal and virucidal.

**pH 6.0-7.0 • Ready-to-use • D.I.N. 02316641**

332003C 1 quart (12 per case)

## NABC Plus IV®

When the task requires more aggressive restroom cleaning performance, NABC Plus IV natural acid bowl and porcelain cleaner is the environmentally sound answer. Four percent natural, organic citric acid and biodegradable surfactants are the mainstays of the NABC Plus IV formula. NABC Plus IV is the natural solution to tougher restroom cleaning tasks.

**pH 1.5-2.0 • Ready-to-use**

331003C 1 quart (12 per case)

## Peroxy II fbc®

The antibacterial cleaning power of Peroxy II fbc kills 99.9% of household bacteria\* (\*Staphylococcus aureus and Enterobacter aerogenes) in 2 minutes. This foaming bath and surface cleaner effectively removes soap scum, hard water film, and cuts through greasy soils on contact. The product is clear with a clean crisp Caribbean fragrance.

**pH 2.5-3.0 • Ready-to-use**

353704C 1 gallon (4 per case)

## Peroxy II fbc®

The antibacterial cleaning power of Peroxy II fbc kills 99.9% of household bacteria\* (\*Staphylococcus aureus and Enterobacter aerogenes) in 2 minutes. Formulated with hydrogen peroxide and citric acid, Peroxy II fbc cuts through grease and oils, and whitens and brightens hard surfaces. This foaming bath and surface cleaner effectively removes soap scum and hard water films and features a crisp Caribbean fragrance.

**pH 2.5-3.0 • Ready-to-use**

353403C 1 quart (12 per case)

## RJ8®

RJ8 controls mold and mildew stains and wipes away soap scum in one easy step on tile and grout. RJ8 cleans and deodorizes a variety of hard surfaces in a restroom including wall tiles, grout, bathtubs, fiberglass, shower doors, vinyl curtains and porcelain sinks. Instantly whitens and makes removing heavy soap scum, body oils, plus mold and mildew stains vanish.

**pH 13.0-13.2 • Ready-to-use**

711003C 1 quart (12 per case)

## SparCling®

SparCling is a one-step acid disinfectant cleaner formulation designed to clean, disinfect, and deodorize vertical and horizontal restroom surfaces. The clinging action of SparCling helps remove soap scum, mildew stains, hard water deposits and uric acid without excessive scrubbing.

**pH < 1.0 • Ready-to-use**

712903 1 quart (12 per case)

# RESTROOM CARE (CONTINUED)

## SparCreme®

SparCreme liquid creme cleanser is a mild abrasive formulation designed to remove soap scum, stains and soil without dulling or scratching. soap film, stains, grease, rubber marks and other soil build-ups. SparCreme helps maintains the satiny smooth surface of brushed stainless steel and restores high gloss surfaces such as porcelain, ceramic tile, chrome and fiberglass.

**pH 2.0-2.5 • Ready-to-use**

Part Code	Pack Size
732003C	1 quart (12 per case)

## Waterfree Urinal Cleaner

Waterfree Urinal Cleaner provides safe and effective cleaning for waterless urinals. Formulated with lactic acid, Waterfree Urinal Cleaner naturally de-scales urine and will not leave any sticky residue. Most importantly, it will not harm the urinal's critical floating membrane when used as directed.

**pH 1.0-2.0 • Ready-to-use**

718003C	1 quart (12 per case)
