

PROFECT[®]

Healthcare Disinfecting Wipes

Profect Healthcare Disinfecting Wipes provide bactericidal, tuberculocidal, fungicidal, and virucidal efficacy for critical care areas in healthcare facilities. The convenient yet effective wipe provides maximum cleaning with minimum effort and is proven to kill 99.99% of common bacteria in 60 seconds. The disposable wipe cleans, disinfects, and deodorizes hard surfaces where control of cross-contamination is required.

EPA Registration Number: 88494-2-5741

PROFECT[®] HEALTHCARE DISINFECTING WIPES

FEATURES

- EPA registered to kill 25 microorganisms in one minute
- Bleach-free, fragrance-free formulation can be used on a variety of surfaces found in healthcare facilities
