EXCELLENT CLEANING ABILITY

A unique emulsifying and surfactant system with a natural solvent provides efficient removal of grease, dirt and soil. A dual grade of pumice scrubs away grime from hands.

PLEASANT TO USE

Enriched with vitamin E and aloe, Grub Scrub has a pH balance in harmony with skin's pH to keep skin soft and conditioned. The clean citrus fragrance lets you know hands are clean.

USE SPARTAN'S GRUB SCRUB TO REMOVE THESE SOILS:

- Grease
- Carbon
- Tar
- Flux
- Shellacs
- Cements
- Most Resins
- Oil
- Most adhesives
- Graphite
- Putty
- Most Inks
- Asphalt
- Most Paints

DIRECTIONS FOR USE:

Apply a small amount of Spartan's Grub Scrub Hand Cleaner to dry hands and across knuckles. Rub briskly until soil emulsifies. Rinse thoroughly with water and dry hands.

DISPENSING:

Spartan's Flat Top Dispenser is recommended for use with Spartan's newest hand cleaner Grub Scrub, packaged in the flat top gallon container. The new flat top one-gallon soap dispenser is durable, long lasting and made of heavy duty metal. The Flat Top Dispenser may be hand or elbow operated. Variable viscosity allows the thinnest to the thickest products; even those containing grit to flow freely.

The new Flat Top Dispenser comes complete with wall mounting hardware and instructions for easy installation. Grub Scrub is easily dispensed from the push pump at 0.5oz per use, providing 240 washes per gallon.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
