foamyIQ™

No more soap dispensers!
foamyIQ is the first hand hygiene dispensing cartridge.

- Easy installation
- Reduce labor
- Reduce cost
- Anti-theft
- Sustainable
- Narrow footprint
- Accurate fill level

BROKEN DISPENSERS
Stop spending time and money repairing and replacing broken dispensers.

EMPTY CARTRIDGES
When soap dispenser cartridges are empty, distributor sales are reduced.

OPERATIONAL NIGHTMARE
Traditional dispensers come in multiple colors and variations, causing you to inventory multiple SKUs packaged in big, bulky boxes.

ATTACH

DEPLETE

REPEAT

Each time you change out foamyIQ you get a fresh, clean dispensing cartridge.
