PRODUCT FEATURES

The quick drying, no rinse feature of WOODFORCE Strategic Cleaner saves time and labor. A most beneficial product to any professional sealed wood floor maintenance program. Different dilutions create various solutions with WOODFORCE Strategic Cleaner. Use on all types of sealed, natural wood and all synthetic/impregnated flooring, laminates and resilient flooring.

GENTLE, EFFECTIVE, VERSATILE

WOODFORCE Strategic Cleaner is gentle and will not dull the finish. Removes environmental soils from the soles of athletic and street shoes, greasy food residue left behind from enthusiastic audiences, cosmetic-type products and body oils. Spot clean specific problem areas or dilute and clean the entire floor. Effective for deep cleaning prior to re-coats and as a tack rag compound to remove dust after screening.

DIRECTIONS FOR USE

See product label for detailed dilution rates and product use instructions for spot, daily and pre-clean and tack rag cleaning. See additional Informative Bulletins for important notes and trouble shooting.

IMPORTANT NOTE: This product and its vapors are flammable and are harmful to inhale. Be sure to provide adequate ventilation and observe precautionary and Personal Protective Equipment (PPE) recommendations. As with any water-based product used on wood, avoid over wetting. Work small areas and remove solutions quickly (within 10 minutes).

KEEP OUT OF REACH OF CHILDREN

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
