

AquaSport® Wood Floor Maintainer

**ready-to-use
dust mop treatment**

Spartan's AquaSport Wood Floor Maintainer is a ready-to-use, bulk packaged, dust mop treatment formulated especially for use on hardwood floors. AquaSport Wood Floor Maintainer picks up dust and lint holding it in suspension to prevent re-scattering of debris. Keeping floors dust-free extends the appearance and life span of wood floor coatings.

Providing Quality Maintenance and Chemical Specialty Solutions with Unparalleled Customer Service

PRODUCT FEATURES

Used daily, AquaSport Wood Floor Maintainer greatly reduces wear and abrasion of the floor's protective wood finish and enhances the overall natural beauty of the wood. Specifically formulated for compatibility with Spartan's AquaSport professional wood floor care system, AquaSport Wood Floor Maintainer is ideal for commercial and institutional environments, as well as site specific venues such as athletic floors, stage floors and multi-activity wood floors.

MULTIFUNCTIONAL

Use AquaSport Wood Floor Maintainer daily or as often as needed to keep floors free of dust, lint and debris. Use in conjunction with AquaSport Wood Floor Cleaner to remove dust from floors during routine maintenance or prior to the deep clean step in screening and re-coating. Use AquaSport Wood Floor Maintainer as a dust cloth treatment for total removal of dust from adjacent and overhead supports and permanent fixtures surrounding the wood floor.

DIRECTIONS FOR USE

See product label for product use instructions and tips. See additional Informative Bulletins for important notes and trouble shooting.

KEEP OUT OF REACH OF CHILDREN.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
