ENVIRONMENTALLY PREFERABLE:

Clothesline Fresh Detergent EP is an environmentally preferable laundry detergent formulated to contain new advances in chemical surfactants and cleaning technology to provide a deep cleaning formula.

GREAT FRAGRANCE:

Clothesline Fresh Detergent EP does not contain any dye; however, it has the same great, fresh fragrance as Clothesline Fresh Laundry Detergent.

ADAPTABLE LAUNDRY PROGRAM:

Clothesline Fresh Detergent EP works great when used as part of a total laundry program. For superior soil removal and fabric care, combine Clothesline Fresh Detergent EP with a Clothesline Fresh Break, Bleach, Fabric Softener and Sour. The Clothesline Fresh Laundry line is adaptable to most laundry programs because all Clothesline Fresh laundry products have been designed to work together.

CONTEMPORARY CLEANING TECHNOLOGY:

Clothesline Fresh Detergent EP is enhanced by patented polymeric technology. This technology quickly suspends tough oily and particulate soils to prevent them from redepositing back onto the fabric. Spartan's laundry technology also allows the cleaning surfactants to quickly dissolve in the wash water permitting quicker, more effective cleaning in all wash temperatures.

COLOR AND NUMBER SYSTEM:

Each Clothesline Fresh Laundry product has been color coded and number coded for easy product identification. All product information and literature, plus, each product label, carton and secondary label reflects this color and number, making training easier and faster.

HIGHLY CONCENTRATED:

Clothesline Fresh Detergent EP is a highly concentrated formulation allowing for superior cleaning even when diluted down to 1:512 (1/4 oz./gal.). This product is safe to use in high efficiency machines.

DIRECTIONS FOR USE:

DO NOT MIX WITH OTHER CHEMICALS.

Some individuals may be sensitive to ingredients in this product. Before using, read product label and MSD sheet.

- Sort laundry by color and fabric type.
- Always read and follow care directions.
- From care directions, choose proper wash cycle and water temperature.
- Do not overload washer with soiled laundry.
- Add Clothesline Fresh Detergent EP
 - Top load washers: Use 1/8 to 1/2 cup (1 to 4 oz.) depending on soil load.
 - Front load washers: Use 1/8 to 1/4 cup (1 to 2 oz.) depending on soil load.
- For extremely soiled laundry, an extra wash cycle may be necessary.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
