All Purpose Spotter

PRODUCT DESCRIPTION:

Clothesline Fresh All Purpose Spotter treats a broad spectrum of laundry stains including protein, juices, oils, and many others. This spotter can be used as a spotter, pre-soak, or pre-spotter to remove even the toughest stains.

Use Clothesline Fresh All Purpose Spotter to remove these common spots:

- ball point pen
- body oils (sweat)
- chain lube
- chocolate
- coffee
- cola
- fruit juice
- ketchup
- mayonnaise
- mustard
- red wine
- salad dressing
- tannin
- tomato sauce
- motor oil
- and other common spots

COLOR AND NUMBER SYSTEM:

Each Clothesline Fresh laundry product has been color coded and number coded for easy product identification. All product information and literature, plus, each product label, carton and secondary label reflects the individual product's color and number, making training easier and faster.

STORAGE:

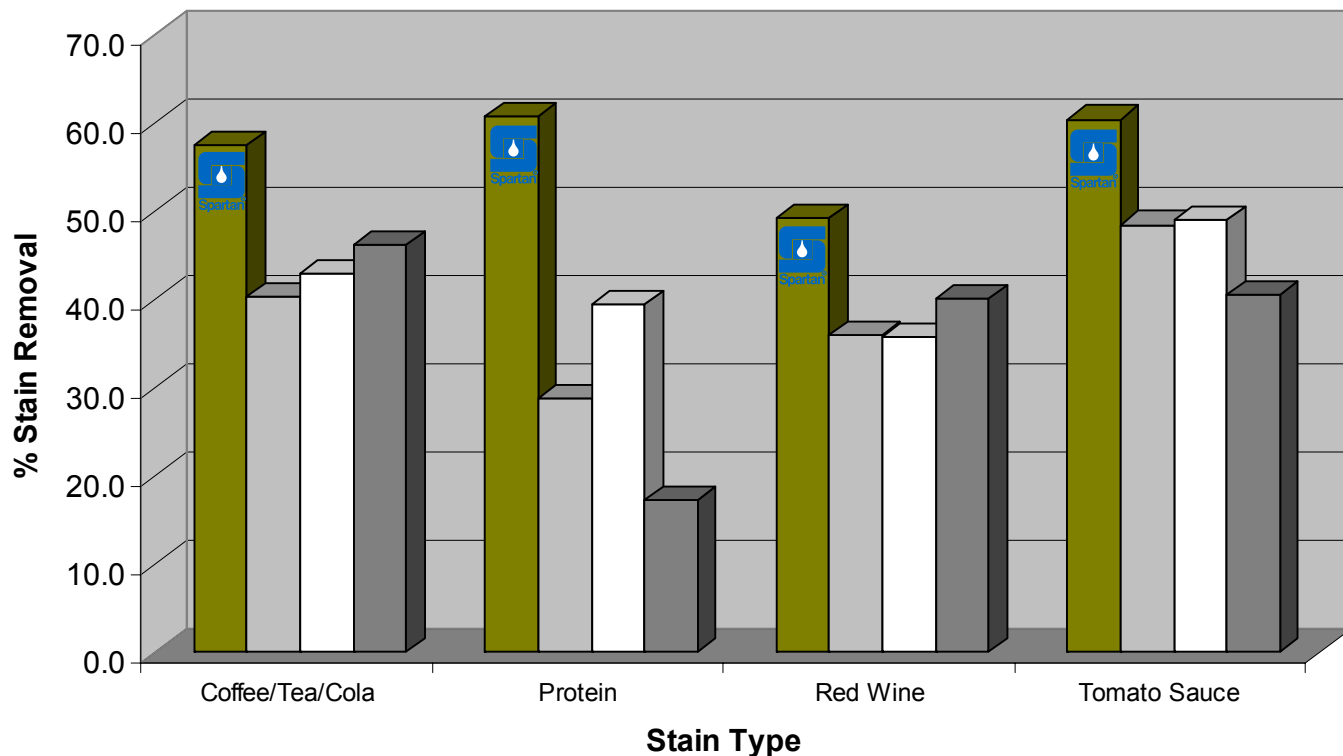

Clothesline Fresh laundry products can be stored in a wide variety of environments and locations. Clothesline Fresh All Purpose Spotter can withstand three freeze/thaw cycles without affecting the performance of the product.

NON-DAMAGING:

Clothesline Fresh All Purpose Spotter was tested by an independent, ASTM certified, third party laboratory to ensure that it is safe for use on fabrics and will not prematurely wear fabrics. This testing shows that there is no loss in tensile strength between samples soaked in Clothesline Fresh All Purpose Spotter when compared to the control sample. Soak times tested ranged from 15 min., 60 min., to 4 hours.

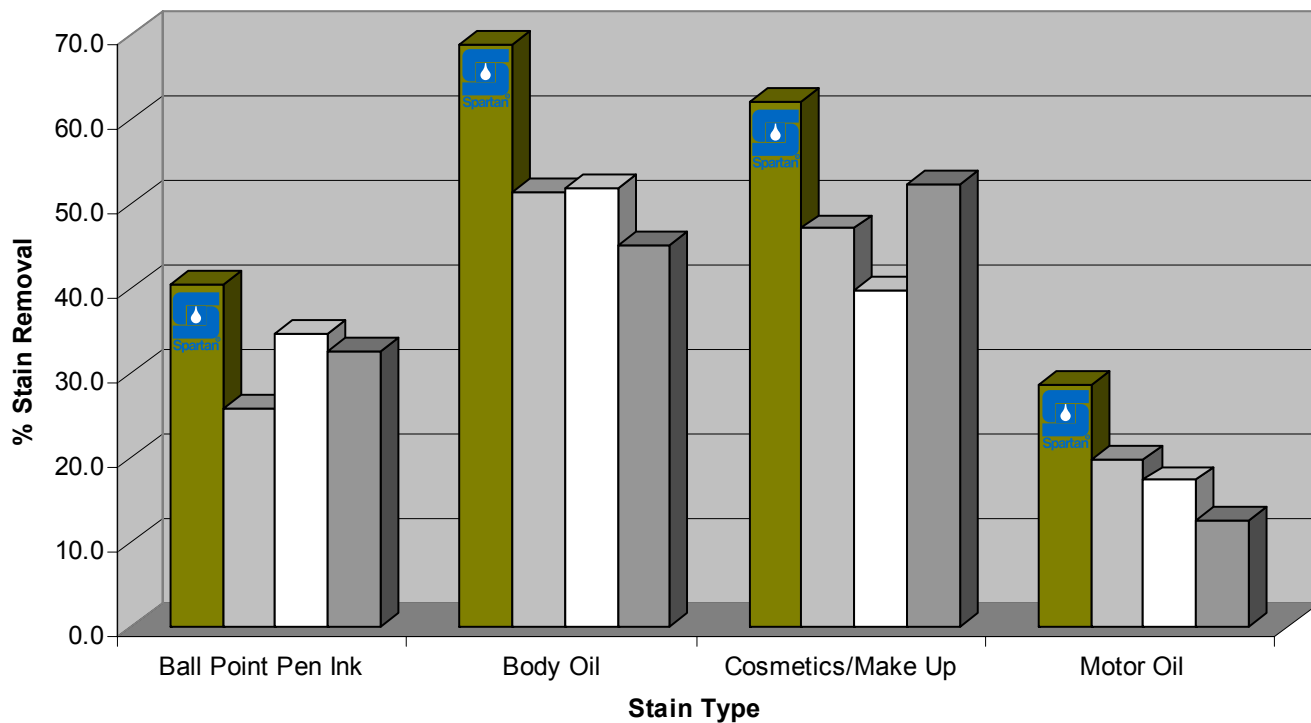

PROVEN CLEANING ABILITY:

Clothesline Fresh All Purpose Spotter was tested by another independent, ASTM certified, third party laboratory and was compared to three competitor's products to assess stain removal performance. The chart below illustrates the stain removal power of Clothesline Fresh All Purpose Spotter.

*Results based on 7 minute soak times on cotton fabrics

 **All Purpose Spotter S1**  **Competitor 1**  **Competitor 2**  **Competitor 3**

*Results based on 7 minute soak times on cotton/poly blend fabrics

DIRECTIONS FOR USE:**DO NOT MIX WITH OTHER CHEMICALS.**

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSD sheet.

- Always test fabric for color fastness and compatibility in an inconspicuous area.
- Before using a specific spotter, attempt to identify the stain, to ensure efficient stain removal.
- Always wash and rinse fabric thoroughly after spot treatment.

To Spot Fabric:

1. Saturate a clean white towel with Clothesline Fresh All Purpose Spotter.
2. Rub stain vigorously with the wet towel.
3. Blot fabric with a separate clean, dry towel.
4. Repeat steps as necessary to achieve desired results.

As a Pre-Spotter:

1. Spray Clothesline Fresh All Purpose Spotter liberally onto suspected stains.
2. Allow to remain on stained fabric for at least 5 - 10 minutes before initial laundering.

As a Pre-soak:

Clothesline Fresh All Purpose Spotter can also be used as a pre-soak for heavily soiled or stained fabric. When used as a pre-soak, Clothesline Fresh All Purpose Spotter can be used in concentrated form or diluted down 1:5 depending on soil load levels.

1. Place stained fabric in a suitable containment vessel.
2. Pour Clothesline Fresh All Purpose Spotter directly on stained fabric or diluted down 1:5 depending on soil load levels.
3. Allow stained fabrics to soak for 30 minutes to 4 hours before initial laundering.

SPECIFICATION DATA:

pH – 11.5 – 12.5

Specific Gravity – 1.005 @ 24°C/75°F

Stability -

- a. Shelf – One year minimum @ 24°C/75°F
- b. Accelerated – 30 days minimum @ 49°C/120°F
- c. Freeze/Thaw – Can withstand three freeze/thaw cycles

Phosphate free

Nonylphenol ethoxylate free

PACKAGING:

Clothesline Fresh All Purpose Spotter is packaged in gallons, four per case and RTU Handi Spray® quart bottles, 12 per case with 3 three trigger sprayers. Label copy is available in English, Spanish and French. Secondary labels are also available.
