

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: **PRO-VENTION**

Spartan Chemical Company, Inc., as the manufacturer of PRO-Vention, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

PRO-Vention is a peroxyacetic acid-based antimicrobial solution developed for use in Federally Inspected meat and poultry processing locations. If used as directed, it will help to reduce contamination and cross-contamination of edible food products. Its use is acceptable for direct or indirect contact in or on food, including fruits, vegetables, meat, and poultry, fish & seafoods, marinades & brines in accordance with 21 CFR 173.370 and 21 CFR 173.315. For use on meat, poultry, seafood, fruits & vegetables, this product complies with FCN # 2036. If used at the maximum concentration indicated on the label, none of the ingredients will exceed the maximum limit threshold as established by the FDA. Does not affect the look or flavor of food when used according to the label. When used according to label instructions, PRO-Vention is a processing aid, which under the provisions of 21 CFR 101.100(a)(3), is exempt from the requirements of declaration on the food product label.

PRO-Vention:

- Complies with the Federal Food Drug and Cosmetic Act.
- Is a repack of Pilot Chemical Company's product "MaShield 15DS" manufactured by Biosan LLC, which is the subject of FCN # 2036.
- Conforms to USDA's "Sanitation Performance Standards Compliance Guide, Appendix 2, Chemical Use".

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product. Listing on FSIS Directive 7120.1 Safe and Suitable Ingredients used in the Production of Meat, Poultry, and Egg Products does not supersede the Standards of Identity for Food (21 CFR 131-169).
